

The Gazette

Vol. 16 No. 42 St. Albert & Sturgeon

CARRIER - 10¢
NEWSTAND - 15¢

Wednesday, October 22, 1975.

THE FATHER LACOMBE Chapter of the IOOE presented a \$500 cheque to the Sturgeon General Hospital Monday afternoon for a special child's respirator. Regent of the IOOE Helen Lastwika (far right) presented the cheque to respirator technician Don Hunt (third from right). Also in the picture from left are: Carol Van Kesteren, Joyce Welsh, Head Nurse of Paediatrics Donna Berry (seated), Valerie Braden and Chris Curry.

Check for breathing machine

The 75th Anniversary of the I.O.D.E. in Canada is being celebrated this year.

The members of the Father Lacombe Chapter in St. Albert, following the 75th anniversary theme "Concern for Children," presented a cheque October 20 for \$500

to the Paediatric Unit of the Sturgeon General Hospital, for the purchase of an I.P.P.B. Respirator to be used by those children requiring inhalation therapy.

The Chapter members raised this money through various activities: the selling of "75th Anniversary" Rose

bushes, especially developed to commemorate this anniversary; working at the I.O.D.E. Shoppe; working at the I.O.D.E. dining hall during Klondike Days at the Exhibition grounds; and by our bridge socials that we've held over the past three years.

Big hikes possible in town water rate

It looks as though the Town of St. Albert could be going for big hikes in its water rates to meet a 200 per cent hike in the large bulk water supply category from Edmonton.

As town council gave second reading to a bylaw intended to bring in the higher rates Monday night there was no doubt as to the severity of the increases.

For starters, if the bylaw goes through, the hook up rates will go up from the present five dollars (refundable) to \$20.00 a shot.

The new bylaw is an amendment to another bylaw

of eight years ago, 23/67.

In those days you could get a minimum rate per month of up to 800 cubic feet for four dollars, but under the new bylaw this will cost 47 cents more for only half the quantity - 400 cubic feet.

The same story applies to consumption rates in excess of minimum.

Under the 1967 rates it would cost 48 cents for 801 - 1800 cubic feet excess, under the proposed new rate it will cost 75 cents for 401-1800 cubic feet.

Mayor Dick Plain, referring to the recent crack down by the Federal Government

on price rises said that the town would have to show the justification for the price rises.

Councillor Barry Breadner said he could not support third reading of the bylaw unless there was some clarification on meter repairs.

Please Turn to Page 2

"Frontier man" head of St. Albert RCMP detachment

Now in charge of the St. Albert detachment of the RCMP is an officer who is widely travelled throughout Canada and its north.

Sergeant Lyle Lambert, 38, married with two boys took over the detachment early this month filling in the spot left by Staff Sergeant Al Dirk, a St. Albert resident who has just retired from the force.

Sgt. Lambert lives out at Morinville and has been in the police force since 1955.

His previous post was at High Level, last frontier country, from 1973 - 1975.

From 1959 - 1962 he was stationed at various points in the North West Territories such as Sachs Harbour,

Herschell Island, Inuvik and Aklavik.

Sgt. Lambert has also seen service in B.C., and the Yukon Territories.

He is no stranger with the force in Alberta either with three months service in Edmonton, and more in Calgary, Drumheller and Brooks.

Previous to the High Level posting, Sgt. Lambert spent some time at the new RCMP detachment in Grimshaw, at mile zero of the Mackenzie Highway.

Even though that highway is now paved 20 miles beyond High Level, Sgt. Lambert says he still thinks of that country as the "frontier."

praise for the local detachment of the RCMP after their recovery of the missing items.

Father Roy said Tuesday afternoon that it was on account of the historical value of the artifacts that the parish expressed its extreme happiness.

As for the RCMP he had unqualified praise for them.

"They did a tremendous job, and we feel that their work is worthwhile mentioning."

He added that the Archdiocese of Edmonton, the "victim" of the crime in this case has requested that charges not be laid.

A spokesman for the St. Albert detachment of the RCMP said that they had

Please Turn to Page 2

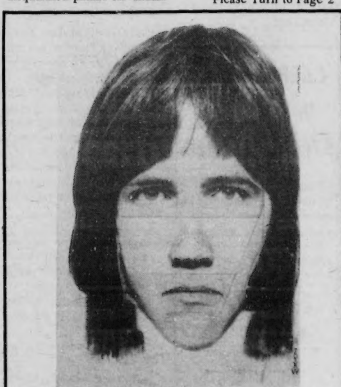

RCMP get their artifacts

There is great joy in the St. Albert Roman Catholic Parish this week following the recovery of four historical artifacts by the local detachment of the RCMP.

The artifacts, four relics of the Venerable Bishop Vital Grandin taken from the crypt of the St. Albert Church October 9 were recovered in St. Albert by the RCMP October 18 in the early morning.

October 9 it was discovered that a display window had been broken in the crypt and a gold chalice, a silver paten and two small pix had been removed from the cabinet.

Father Al Roy of the St. Albert Parish had plenty of

WANTED

The above is a facial composition of a person wanted for questioning by the RCMP in St. Albert.

Youth is described as follows: 16 - 18 years. Five feet five inches, 130 to 140 lbs., slim build. Straight dark brown hair approximately two inches from shoulders. Bangs in front - slight part.

Wearing: white t-shirt - circle in front with writing. Blue cord jacket. Blue Jeans.

Brown high heeled shoes.

Any persons having information please contact the RCMP office in St. Albert.

NOTICE

1976 DIRECTORY

WORK HAS BEGUN ON THE 1976 ST. ALBERT DIRECTORY FOR PUBLICATION IN EARLY JANUARY. NEW BUSINESSES AND ORGANIZATIONS IN ST. ALBERT WISHING TO ADVERTISE OR TO BE INCLUDED IN THE LISTINGS SHOULD CALL MRS. WARD AT 458-2240 OR 459-6591 [EVENINGS AND WEEKENDS]. THE DEADLINE IS NOVEMBER 12th, 1975.

artifacts recovered

Continued from page 1
apprehended persons responsible for the theft. But they were not laying charges.

The artifacts were found in a suitcase when the RCMP discovered them but they are not revealing the exact location of the find. At the time of going to press RCMP said they still had the artifacts at the detachment but they would be returned to the St. Albert parish soon.

They were not damaged in any way except that some catalogue numbers on the items had been removed.

If the RCMP had insisted that charges be laid they could have circumvented the decision of the Archdiocese of Edmonton only if it had been felt that the public were seriously endangered. The RCMP are not taking this route and even if they did, they would first have to seek permission from the Attorney General, an RCMP spokesman said.

JUVENILE HITS HIT-HIKER IN HIT AND RUN

Details are sketchy on an incident October 18 where an out of town hit-hiker was hit by a vehicle on the St. Albert Trail driven by a juvenile. RCMP are not releasing the names of the driver of the hit and run vehicle or the person hurt in the accident.

They say the injured person was not hurt seriously and was soon released from the Sturgeon General Hospital after treatment to slight injuries.

RCMP said that the juvenile was located shortly after the hit and run.

There were three passengers in the vehicle driven by the juvenile, RCMP added. The hit and run is still under investigation.

THEFTS AT ELIM CHURCH

RCMP have located the person responsible for a break-in October 18 at the Elim Pentecostal Church at Gate Avenue near the St. Albert Trail.

The person's name has not been released but RCMP say that charges are pending. RCMP have recovered the goods taken following the break-in. They were a record player and tape recorder belonging to the St. Albert day care centre. Entry to the church was gained through a window.

service charges

Continued from page 1.

spite of this St. Albert was clearly responsible for advising all home purchasers of any charges outstanding against these properties.

At its regular town council meeting Monday night town council seemed aware that certain residents had been caused worry and inconvenience.

Councillor Margaret Smith felt that these residents should be notified straight away of council's concern and a motion coming from Councillor Barry Breadner that the people should be informed St. Albert would prepare a report on the matter was carried.

Council also want to hold a meeting with the residents of Forest Lawn involved but no date has yet been set.

Councillor Rod Thorndson, inclining towards the media at the meeting said, "We've got the media here and I am sympathetic with the people, but sending a letter would be awkward."

Councillor Gary Wetsch was dead against sending a letter telling the residents

HORSE STOPPED RIDER DIDN'T

A visitor from Calgary staying with a St. Albert family came a cropper by the Sturgeon River Bridge Sunday. The rider was flipped when the horse stopped but the rider didn't. The injured person was taken to the Sturgeon General for treatment. No other details are available at the time of going to press.

not to pay the costs as he felt that this would be interfering with the individual's responsibility.

Mayor Dick Plain said that he was "not prepared to tolerate these affairs" referring to injustices at the hands of the consortium and deliberate "misrepresentations."

He wanted an investigation into the whole affair including a legal opinion of the standings of other individuals involved in the dispute.

Last Wednesday many of the surprised homeowners contacted their MLA Ernie Jamison to look into the matter. A meeting last Thursday was set up for a delegation to meet with the Hon. Graham Harle, minister of Corporate and Consumer Affairs and the matter is being investigated by his department.

Meanwhile many of the homeowners have been in contact with their solicitor and are requiring affidavits of proof of serviced lots that they had bought.

-o-

water rate

Continued from page 1.

Councillor Myrna Fyfe pointed out that even with the new figures the town was only going to break even.

Councillor Margaret Smith said that negotiations are still going on with Edmonton following its hike in the water rate to St. Albert.

"We can't put ourselves in deficit," she said, "and we must increase the rates to recover those losses."

Coun. Smith, referring to cheaper rates down the line with the greater amount of water consumed wondered if these rates would persist.

She was making specific reference to a table showing decrease in rates where water is consumed in excess of minimum.

Also under the new bylaw water service may be discontinued by St. Albert without further notice, until an accurate reading can be

obtained by the town meter reader.

Referring to discontinuance of service if the town cannot get an accurate reading after three months, Coun. Smith suggested that the town put in remote readers and wondered if there would be any delay here.

Explaining the new bylaw, Mayor Plain said that all that St. Albert had done was to adjust St. Albert's policy across the board and "we haven't gone into rationale for four rate differences between classes."

However the reason for putting up the hook-up fee from five to \$20.00 was that previously property owners had not been responsible for the arrears of a tenant, but under the new bylaw this would be taken care of.

A New Yorker was visited by his elderly father, who was a widower. To show the old man a good time, they went to a nightclub, and after the lavish floor show, the son asked his father what he thought of it. "Seven of them

girls," drawled the old man, "has had appendicitis."

Sign in a loan company office: "We serve the man who has everything but hasn't paid for it."

Oversight costs tax money

Upturned sod bordering the car wash at Sir Winston Churchill Avenue and Grandin Road annoys its manager.

Ray Corner said it's a waste of ratepayer money. The sod was freshly laid two weeks ago after the weedy road shoulders were cleared and levelled.

But workmen started digging the sod up last Tuesday.

"The foreman told me the town was aware street lighting had to go in this area before the sod was laid," said Mr. Corner.

Mr. Corner owns a small condominium. He said no services were given it by the town until he paid a separate condominium tax.

But he doesn't appreciate seeing his tax money spent laying sod, digging it up and laying it again.

EXPLANATION

The superintendent of public works said a lack of communication between Calgary Power and the town was behind the sod upturning.

"We should have consulted before laying power and communication cables to the new RCMP building," Joe Corcoran said. The building is beside the car wash on Churchill Avenue, north of the Calgary Power transformer.

"The Grandin Medical

Piles of sod are still lying on the shoulders of Grandin Road and Sir Winston Churchill Avenue around a car wash. The manager considers the upturned sods a waste of taxpayer money as they were dug up after being laid for only a week. The town's superintendent of public works said that power and communication cables had not been put in for the new RCMP building before the sods were laid.

Centre and car wash paid for the sod about two years ago," he said. "But in the meantime, a tender was accepted and the RCMP building built."

This Halloween remember UNICEF

At a time of bleak headlines from abroad, unemployment and inflation at home, the nationwide commemoration of Halloween for UNICEF this year can remind us of some important

truths.

The economic problems we in Canada are encountering have been multiplied a thousandfold for those who can least afford them. Hundreds of millions of children in the developing world are in desperate need today. Millions driven off the land are migrating to cities unprepared to receive them. Reports grow of a regression in basic health services, of half-constructed schools abandoned, of diseases that were once thought conquered reappearing because of overcrowding, malnutrition and a collapse of sanitation.

In these circumstances, the support that we Canadians can give to UNICEF to turn this grim tide is all the

more needed, all the more significant and all the more urgent.

This will be the 20th consecutive Halloween that Canadian youngsters will trick or treat for UNICEF. The money they have collected has grown from a trickle to a downpour to a flood, but more and more is needed. Indeed, the time has come to set new records and reach new levels of support.

This Halloween, remember UNICEF. Open your doors to the little witches and goblins, elves and imps holding out the familiar orange and black boxes for UNICEF. Open your hearts to the childhood of the human race. There is no better hope for the future.

CF Tag Day great achievement

The weather may not have been generous on October 11 but according to 26 Kinettes the citizens of St. Albert compensated for it. "They were tremendous." The Kinettes held their Cystic Fibrosis Tag Day and thanks to the generosity of this community another \$931.88 will join the fight against C.F. The St. Albert chapter of Kinettes would like to express their appreciation to all, especially the children, and to the Grandin Businessmen's Association, Safety and the A.L.C.B.

A couple of businessmen were having lunch one day, and the conversation turned to wives who cheat on their husbands. After discussing the problem a man in their office was having, one man said, "What would you do if you came home one day and found your wife with another man?"

"Well," replied the other man, "first I'd shoot his guide dog and then break his white cane."

Do You Think St. Albert Needs Better Ambulance Service?

LAURA BELCOURT
27 Stanley - Cashier

"Considering how dangerous the Trail Road is, even with the right-of-way, ambulances taking people to Edmonton hospitals run a risk.

"The risk wouldn't always be necessary if the ambulance people could treat an injured person at the scene," she said. "It would make more sense to have an ambulance stationed right in town."

DON GOEDBLOED
11 Fenwick - Estimator

"In certain emergencies, such as when a child is choking," he said, "the fire

department could be called on instead of an ambulance.

"Not only are firemen trained to treat such emergencies, they have equipment such as oxygen tanks to resuscitate unconscious people.

"And people wouldn't use their own car to drive somebody to hospital because they were afraid an ambulance from the city would take too long."

ERNIE CHAREST
12 Mont Clare - Retired

"Four years ago an ambulance rushed me to hospital when I was bloated like a cow who has eaten too much alfalfa," he recalled. "It was fast, maybe because it was called during the night when

There will be a special presentation by the Northern Light Theatre October 14 - 24 of the "Daughter of Debate."

Location of the presentation is the Edmonton Art Gallery.

it wasn't so busy.

"But I suppose like everything else, the service has got to be improved."

and someone able to treat accident victims -- not just provide transportation."

JENNIFER SEMCHUK
22 Greenfield - Housewife

"Without a paramedic, people here will take a taxi or have a neighbour drive them to hospital rather than wait for an Edmonton ambulance," she said.

"An ambulance has to have intensive care facilities

MRS. JO-ANN SYMONDS
153 Ridgewood - Nurse

"A survey should be taken to see how often an ambulance is called and how often it comes to town during rush hours," she suggested.

"Sometimes Sturgeon General Hospital doesn't have the facilities to treat a person. An ambulance ser-

vice here in town would be faster taking him to a better equipped hospital in Edmonton.

"Recently a child got killed by a bus on Hebert Road, and with the town's growing size, similar traffic accidents in the future are bound to happen. Our own ambulance service would help give immediate attention."

HEDLEY THURSTON
13 Savoy - Nurse

"If your ambulance is coming from Edmonton, the time factor could be eliminated by our own ambulance service," he said. "It would be money well spent.

"And people would be less likely to pop in their own car and run to hospital."

"How good is your homeowners policy?"

"I represent Safeco because it protects you against things you don't often think about -- until they happen. Things like damage resulting from sewer backup, electrical damage to appliances, smoke damage, and even damage to the property of others when you feel a moral obligation rather than a legal one.

"Safeco offers the best homeowners policy in town. I'd like to explain all the details."

OTTAWA and Small Business

Battling monopoly power

By KENNETH McDONALD
Ottawa is news. What Ottawa does from day to day is given the flavour of urgency. What matters, however, is what Ottawa does from year to year. One thing is plain: Canada's economy is being changed from a system of free competitive enterprise and free democratic institutions to one of arbitrary rule in which the power is shared by monopolies in business, government and labour.

Global corporations maintain profit levels by transferring cash reserves, earnings, production and jobs around the world. Government pay scales -- including those of MPs -- set the pace for organized labour. All three groups have the power to protect themselves against the inflation they cause. Inflation's victims are the farmers, the unorganized workers and the small business community which together amount to some 60 per cent of all working Canadians.

The same forces that are destroying free competitive enterprise are also destroying our democratic institutions. Rule changes and a mushrooming bureaucracy are destroying parliamentary control of spending.

Business monopolies set prices because of market dominance and by controlling the production process from raw material through manufacture to retailing. Labour monop-

olies fix the price of wages through compulsory unionism and the collective blackmail of the strike.

Of four alternative economic systems, laissez-faire capitalism tends to concentrate power in the hands of a few. So does a socialist system of state control. Regulated enterprise so common in utilities, the professions and areas of private business often works against the consumer by restricting new competition. The bureaucracy and the paperwork burden create costs borne by all Canadians.

By contrast, free competitive enterprise, the socio-economic philosophy of the Canadian Federation of Independent Business, is based on the formation of new businesses, breaking up monopoly power and rewarding individual effort and initiative.

In 1975, Canada's is a mixed economy, but the trend is towards the increasing growth and power of large private and public bureaucracies. That trend can be reversed by restoring power to individual Canadians and, through them, to their elected representatives. It will not happen overnight. But a continual movement in the direction of free competitive enterprise is essential, not just for a healthy economy, but for the preservation of the traditional checks and balances on our democratic institutions.

to the Editor

Why Foster Parents?

Why do we have the Foster Parents? The answer to this is that many parents are unable to cope with their children, therefore the children are left alone and neglected, or run loose on the streets with no one caring. Foster parents try to prevent this.

Someone will say, "Why do these people have children if they can't take care of them?" I think that when they had these children, they wanted them very much, but due to many different problems such as sickness, mental and physical, money problems, trouble between the mother and father, (we could go on and on), has made it impossible for the children to get the proper care.

This is where the Social Services take over. From reports from different sources the children are picked up by a social worker and taken to Children Centres.

Some are taken to foster homes where they are usually one of that family before too long. Anyone has got to admit this is better than wandering the streets or even being in an institution.

The government pays for room and board, clothing allowance, school supplies,

and all medical bills.

Now we come to the question why have a Foster Parent Association? The reason for this is to get to know your social worker and the foster home finder. Also, if there are any questions about Board Forms, clothing, extra sports equipment, braces for teeth, or glasses, etc., the association can help you.

Someone will say you can phone your social worker or he can come and see you. This is true. The social worker does come to see the foster parents, but with so many foster homes, and there are being more all the time, that the social workers are pressed for time.

Besides, all this we find out by going to these meetings. Most of these people are very good people and we are pleased and proud to be associated with them.

We invite anyone who is interested to come to our next meeting on November 14th.

I leave you with thought: Anywhere that love is shown, it's only the Lord making himself known.

Thank you.

Foster Parent Association
Mrs. Bernice Rockwell
President.

Oblates contribution

The beatification in Rome of Bishop Eugene de Mazenod of France on October 19 may not personally affect all the residents of Saint Albert, nonetheless we have indirectly benefited by this ardent man who founded the order of the Oblates of Immaculate Mary.

This truly saintly man inadvertently drew attention to himself by acts of kindness towards the working class early in his career as a priest, as well as to the poor and the young.

The order of the Oblates which he founded developed from the immediate needs of his community in France and later on became involved in missions beyond the borders and overseas undertaken by his many followers.

Claiming only to continue the work of the Son of God, Jesus Christ, these devoted men have affected our lives in Canada and in particular in Saint Albert.

While we consider show-

ing consideration towards the members of his religious order and wonder at their instimable contribution to the entire province, we well may ponder the divergence of our ideals since Saint Albert was founded by Pere Albert Lacombe and expertly formed by Bishop Vital Grandin and his assistants.

Those religions who have followed in their steps and given leadership have exercised the same drive and dedication. For all these men of God, past and present who have served us in this community, we can do no less than to acknowledge their unfailling and invaluable services especially as they celebrate the beatification of their founder.

At this time of thanksgiving - Thank God for our Christian heritage.

Florence Lefebvre,
14 Grandville Ave.
St. Albert, Alberta.

are:

1. We purchased a lot "with services fully prepaid" as indicated in an affidavit from our real estate agent and as verbally admitted by the building contractor in a telephone conversation on October 15, 1975.

2. The Town of St. Albert officials advised that 29 homeowners now occupy lots where the services were not paid for by the building contractor at the time the building permits were issued.

3. The building contractors who took out the building permits for these 29 lots were not required by the Town of St. Albert to sign any agreement to pay the total servicing costs of these lots. Furthermore they were not put under any obligation by the town to advise the purchasers of these homes that the servicing charges would be levied in the future. (I was able to contact 16 of the 29 affected homeowners. Of these 16, 15 confirmed the foregoing statement. Only one homeowner stated that they were the general contractor on their home and they knew they had a choice of paying for servicing at the time of taking out the building permit or paying for servicing later. As a matter of interest, these people paid \$3,200 for their unserviced lot.

4. We paid \$7,650 for our lot which was comparable in price to similar size, fully serviced lots in the Forest Lawn area at that time. We also paid fair market value for our home.

5. Although it appears that the Town of St. Albert was clearly responsible for advising all home purchasers of any charges outstanding against these properties, no caveats were placed by the town on any of the affected properties. Therefore, the first indication of any outstanding service charges received by any of the affected homeowners was on October 7, 1975. This is some three years after possession dates for most of the owners.

I submit that the original owners of these lots (primarily the following building contractors - Daytona Homes Ltd., Regent Homes, Wonder Homes, etc.) were highly

irresponsible in not paying the required servicing charges to the town. Charges that had been paid to the contractors by the purchasers of their homes.

Further, I submit that town officials are clearly at fault in not demanding either:

A. Payments for all services from the building contractor

B. An Agreement from the town officials that they would pay in future

C. The registration of caveats against the properties

D. Other formal notification to home purchasers of the outstanding charges.

At present the affected homeowners do not intend to pay any additional charges for servicing or local improvements which were not conveyed to them by the town at the time of purchase. This of course, means that the Town of St. Albert will be responsible for correcting the haphazard dealing which it entered into in 1972 with the building contractors. This will involve efforts by the Town to collect the servicing costs from those individuals who were the Original owners of the lots and who were (presumably) notified of the debt by law which gave rise to this situation.

Although it is understandable that town officials may be reluctant to admit blame for this incident and instead try to avoid charging the ratepayers at large for the errors for the town administration, it is deplorable that the town would suggest to the unsuspecting owners of the affected lots that they have any responsibility at all for paying for the towns previous errors.

In view of the foregoing it is expected by the effected homeowners that the Town of St. Albert will issue:

A: A full apology for the inconvenience and worry this incident has caused.

B: A statement of acceptance on the part of the town for the responsibility of collecting these charges from the contractors who took out the home building permits on the affected lots.

Mr. and Mrs. D. Cooper,
#1 Fawcett Crescent.

On October 7, 1975 we received notification that because of Bylaw 16/72 (given third reading by town council on May 1, 1972) we now owe the Town of St. Albert the sum of \$4,350 for local improvements (full servicing) on our lot. We were given the option of paying the amount in a lump sum immediately, or paying an extra \$528.49 per year for the

next 20 years (a total of \$10,569.89).

Our home is a modest dwelling of 1,280 square feet which we agreed to purchase in March, 1972 and took possession of in mid September, 1972. Our 1975 taxes were 669.39 and increased charge would nearly double our annual payments to the town.

The facts on this matter

St. Albert Council Briefs

Following are some of the highlights of the regular meeting of St. Albert council, October 20. Mayor Dick Plain was in the chair with all councillors present.

COUNCIL PASSED the following committee of the whole recommendations

*That support be given to the Paul Kane High School girls field hockey team's grant request for \$450 for

their trip to Victoria.

*That support be given to the St. Albert Historical Society's grant request of \$5,000.

*That support be given to the St. Albert Minor Baseball Association's grant request of \$700.

*That the Parks and Recreation Board secretary and Town administrator Bob Byron establish a literature review of reports and docu-

ments regarding Big Lake to be brought together for consideration and a recommendation on a top priority position.

FOLLOWING INTEREST in the community about a better ambulance service for St. Albert, council passed a motion that such a resolution be brought before the Alberta Urban Municipalities Association convention. Such a

service would be attached to regional health care points.

It was pointed out at council that the local hospital is not in favour of operating the ambulance facility from there. However, St. Albert continues to examine ambulance services in Calgary and a paramedic from Brooks could be coming into town later this month to talk about the regional ambulance service.

Council also accepted a letter from the St. Albert Women's Institute for grants for a better service as that group has become concerned over the lack of an ambulance in St. Albert.

QUALICO DEVELOPMENTS may get a rebate following purchase of a \$2,150 building permit to start building the Almsdale Community Centre. The developer feels that as the building is being erected at the town's request it should be considered a municipal building and therefore be eligible for a rebate of the charges.

Council carried a motion that a rebate might occur at

the time of signing the project to the town.

COUNCIL MOVED acceptance of a letter from Mrs. G. C. Dalman on the Senior Citizens Recreation Centre. The Board of Directors wants to hear from the town following a resolution that the board's management function be transferred to the senior citizens executive, and the town, and that the maintenance of the centre be borne by the town.

The letter points out that cost of maintaining the building has up till now been paid out of the New Horizon grant which will be depleted in 1976.

COUNCIL ACCEPTED a tender from Millers Stationery worth \$16,502.24 for RCMP Building furniture. Approved budget for the furniture was \$20,000. Millers just beat Superior Steel who had tendered \$16,648.73 for the contract.

COUNCIL RECEIVED a copy of Mayor Dick Plain's letter to the Edmonton Journal and the Calgary

Herald October 16 criticizing possible government intervention in annexation. In a key sentence the letter says that "It is submitted that a long tradition of impartiality will be destroyed if Provincial politicians are allowed to rule on Local Authorities Board decisions."

The letter also states that the government should resist usurping the portions of the LAB's role in land annexation matters and content itself with establishing certain long-run policy considerations which the LAB is required to apply in annexation hearings.

IN QUESTION AND ANSWER period Mayor Dick Plain said that he found it distressing that a number of firms were flouting building permit regulations. He said he had heard of one company constructing an addition without a building permit and also of another company which had begun house construction in St. Albert without a building permit.

The mayor said that town rules in these matters must still be followed.

Parents hear talk on books for kids

The Parenting Committee of the St. Albert Protestant School District No. 6 kindergarten held their first one night session at the Robert Rundle gymnasium on Monday at 8 p.m.

Mrs. Martin, assistant superintendent of District #6 gave a short talk on the rights of children to grow up naturally. She stressed that as parents and teachers we can help them by respecting their right to choose, encouraging their natural curiosity and helping them to

get along with others.

The guest speaker, Mrs. Barbara Munroe, assistant librarian, from the Yellowhead Regional Library gave a very interesting talk on Selection of Books and T.V. Viewing for young children. She mentioned that there are a number of reference books available in our library to aid parents in book selections for children.

She also suggested that we think of the children's needs before choosing a book. Most five year olds identify with

good hero-like books that end happily, that show children solving problems and have beautiful illustrations. She stressed that all children should be read to daily, even the older elementary school child. We learned that a child who is read to regularly enjoys a warm and close relationship with his parents and is eager to explore books on his own.

All the parents actively participated in the discussions and thoroughly enjoyed Mrs. Munroe and the books she brought with her.

The parent programs are open to all parents and are especially geared to the preschool and early elementary school children. "Guidelines for Toy Buying" is our next session on Monday, November 3 at the Robert Rundle gymnasium at 8 p.m. Mark it on your calendar and bring a friend. The evening will be both enjoyable and informative.

UK visitor gets cat-call

Just over here for a five week holiday from Britain, "molly Eustace of Wythall, near Birmingham, England got a call October 4 telling her her Burmese cat Diamond was champion in the U.K., among Burmese Blues.

Molly has been staying with her sister, St. Albert resident Sheila Pugh of 14 Savoy Place and also brought her daughter Sheelagh along for the holiday.

She was delighted at the news about her cat which also holds the highest challenge awards for cats of the Burmese Blue strain, apparently a line which is not recognized in Canada.

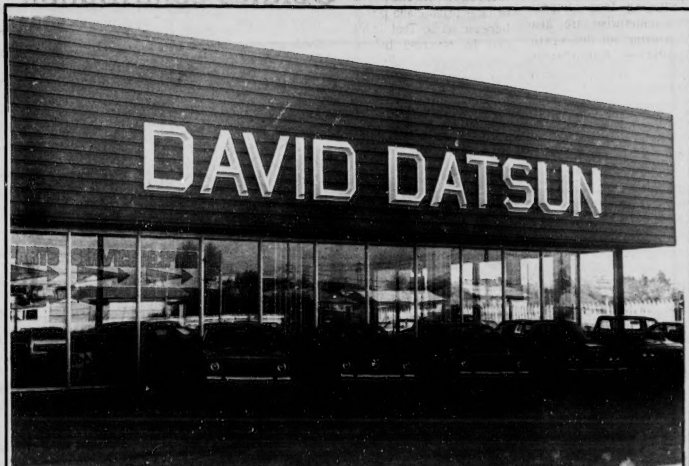

But for the past few weeks

Molly has been far away from the world of cats, taking a jaunt through the wilds of Jasper, Banff and Fort McMurray with her sister. This she found so much different from the gentle rolling heartland of England that she wants to sell up her house back home and come out to Canada right away.

"I think Canada's great," said Molly.

If she did come out it's likely she would be thrust into pioneer country in Fort McMurray. Her sister Mrs. Pugh says that her husband Jim will be moving up to the Fort as a rotating equipment specialist with Syncrude, and Molly would be hot to follow.

Homemakers needed in St. Albert

HOMEMAKER IN ACTION

Mrs. Black, a senior citizen living alone, had been hospitalized due to a stroke. After release from hospital, she was feeling quite weak and unable to care for herself adequately.

The Green family was new to St. Albert. A crisis developed when Mrs. Green was hospitalized for a gall bladder operation. There were no relatives or friends nearby who could care for their three children aged one, three and six.

Mr. Gray, a single parent with two pre-schoolers enrolled at the day care centre, found himself in a quandry when the children became ill

with measles. The children could not attend day care and Mr. Gray's employer did not want him to miss a week's work.

What did these people have in common? A need for reliable home care, which was provided by the St. Albert Help Society. The Help Society has operated a homemaker service for residents of St. Albert for the past five years, subsidized by the town and province. Fees, which are very reasonable, are assessed on a sliding scale basis.

The homemaker assigned to Mrs. Black helped with her laundry, light housework, and personal care such

as hair shampooing. The friendly visit provided by the homemaker was as much help to Mrs. Black as the actual physical work. With Meals on Wheels providing a daily hot meal, the homemaker was needed only half days twice a week and after a month, Mrs. Black was able to care for herself completely.

The homemaker at the Green home came in daily from 8 till 5 while Mr. Green was at work and Mrs. Green was in the hospital. She cared for the children and made the family meals. When Mrs. Green came home, the homemaker remained with the family on a gradually decreasing basis

during the mother's convalescence.

In Mr. Gray's case the homemaker stayed with the children in their home keeping them comfortable and happy and Mr. Gray was able to continue working.

As St. Albert continues to grow the demand for the homemaker service increases. The Help Society is looking for warm, mature women, skilled in home and child care, to work as homemakers. Salaries start from \$2.75 per hour to a maximum of \$3.50 per hour. If you are interested in working with families and would like more information on becoming a homemaker, please call Mrs. Proctor at 459-5159.

Riddells celebrate golden wedding

Mr. and Mrs. E. J. Riddell of 6 Salina Drive, St. Albert, held a family reunion to celebrate their Golden Wed-

ding anniversary on Sunday, October 12. Arrangements were supervised by Mrs. Kathy

Riddell, 11 Salina Drive and Mrs. Joanne King of Marysville, Washington, U.S.A. Guests included the families of Mr. and Mrs. Walter

Schneider, Brooks, Alberta and Mr. and Mrs. Evan Powell, Weyburn, Saskatchewan and Mrs. Beth Powell, Regina, Saskatchewan, Mr. and Mrs. Ken P. Riddell, St. Albert.

Mr. Riddell spent 35 years as principal of high schools in Saskatchewan and nine years teaching in Alberta at schools in Namao, Riviere Qui Barre, Winfield and Edmonton.

Eight congratulatory scrolls and messages from Lieut. Gov., Prime Minister, Premier, MP's and MLA's were sent from the Governments at Ottawa and Alberta.

Mr. Riddell is a member of the Canadian College of Teachers and received a Centennial Medal from Ottawa for his services to Canada.

Four children, 14 grandchildren, and three great-grandchildren blessed the union of Georgina Adderley, Halbrit, Saskatchewan and Everett J. Riddell at Regina in 1925.

People feel air pollution worst problem

Air pollution, say Albertans, is the most serious environmental problem, especially for the province's urban residents.

This is one of the findings of a survey prepared for Alberta Environment and conducted and analyzed by decision making Information Canada Ltd.

The study, entitled "The Alberta Environment: A Consumer Viewpoint," found a relatively high degree of concern over environmental

issues in general, with half of those interviewed feeling that environmental concerns have not had enough emphasis in the last several years. Considerable scepticism was shown about the capability of scientific technology to solve environmental problems. Those surveyed also had relatively negative expectations regarding the quality of life in 20 years.

FAVOUR LIMITING CITIES
In questions related to

Alberta's economic growth, 54 percent of those surveyed favored limiting the size of big cities. But only 31 percent said they felt the province is growing too fast.

Other findings indicate that the population is almost evenly split on whether to reduce highway speed limit to 55 miles per hour. Those supporting a speed reduction did so to prevent accidents, rather than as a fuel conservation measure.

Eastern MP speaks to Pembina Conservatives

About 200 people enjoyed a banquet and dance hosted by the Pembina Progressive Conservative Association held in Morinville Recreation

Centre Saturday evening (Sturgeon) chairman was when Lincoln Alexander, MP master of ceremonies and Hamilton West was their introduced the head table: John White, association president, Sheila McFayden, Bill Devereux, Zone 5

Arnold Malone, MP Battle River, Pat Elzinga, Lincoln Alexander, Peter Elzinga, MP Pembina, Mrs. White

and Bill Devereux. Other guests introduced included Stan Schellenberger, MP Wetaskiwin, Ernie Jamison, MLA St. Albert, Frank Appleby, MLA Athabasca and Mayor Art Stapleton of Morinville.

Roy Watson, VP of the Federal Progressive Conservative party spoke on the new legislation governing tax exemptions for contributions to political parties.

Lincoln Alexander gave a hard hitting address, concentrating on three issues and sprinkled with delightful humour. He spoke on immigration policy, inflation and the unemployment insurance scheme, hitting out mismanagement and waste in the Trudeau government. He said that the 180 degree turn of the prime minister had vindicated Bob Stanfield, whose policies were more workable and had been presented courageously a year and a half earlier. And he had harsh criticism of the enormous increases in unemployment insurance costs, particularly over the last two years. Not only have the costs become horrendous, but the policy behind this government's handling of the plan only encourages people not to work, said Mr.

Alexander. He is a forceful and inspiring speaker and was given a standing ovation. Mr. Malone thanked Mr. Alexander and presented him with a souvenir plaque of his visit.

A highlight of the evening was a presentation of an inscribed plaque to Mrs. Gladys Bigg, widow of Jack Bigg, MP for Pembina for 14 years. The presentation was made by Mr. Elzinga, who spoke of Jack's wonderful kindness, honesty and of the hard work and the fine record of accomplishment he had built. Mrs. Bigg graciously replied and was also given a standing ovation by the crowd, which included people from every part of the constituency.

Mr. Elzinga in his remarks also hit out against the Liberal government, particularly for their numerous and wasteful "hand-out" programs. This government should rather have supported our basic industries, such as fishing, lumbering and agriculture and put money into transportation, so badly lacking in the west he said.

Following the banquet program dancing was enjoyed till midnight, when a light lunch and coffee were served.

Thora Millroy feted

Thora Millroy, left accepts an engraved plaque from Val Parent, representing a farewell gathering held last week for Mrs. Millroy.

About 35 friends and neighbours gathered at the B.I. recreation centre Wednesday evening, October 15, in honour of Thora Millroy who is moving from St. Albert.

A highlight of the evening was a presentation, made by Val Parent on behalf of all present and an additional 12 friends who were unable to attend. Thora received a lovely engraved plaque with the Alberta emblem and the following inscription: "In appreciation for all your time and effort in the community. Good luck from all your friends in St. Albert, October, 1975."

A letter from June Kendel, former president of the Legion Auxiliary was presented by Lorraine Mitchell as June was not able to be present. Mrs. Kendel expressed her appreciation of Thora's fine co-operation in Auxiliary work. Thora has also been active in the Ladies Curling Club and the Ladies Golf Club in St. Albert.

Visibly moved, Thora thanked her friends, saying she would miss them and also the activities she had been involved in over the family's 12 years in St. Albert.

Thora is the wife of Doug Millroy who took over his new duties as Editor of the Sault Ste Marie Daily on October 14. Thora and their four children, Sandy, Blake, Charles-Anne and Christopher will be leaving by plane November 2 to join Doug in their new home.

The family moved to St. Albert in 1963 and have made their home on Sunset Boulevard.

Arts and Crafts Guild News

Anybody willing to help on the day of the Christmas sale, should look at the chart in the hallway of the Arts Centre, for times when people are needed.

People attending classes as well as Guild members are most welcome to help out. Any enquiries phone Lil - 459-8860.

Artists and craftsmen, other than potters, who would like to sell their work at the Christmas Sale should contact Carol 458-2110 or Linda 799-3516.

At the last meeting for Ceramic Studio Members it was noted that the cupboard in the Glaze Room for bisqued pots, was bursting at

the seams.

In a positive effort to clear it out, it was decided that those pots left unclaimed and unglazed after November 8, would be glazed by a studio member and put in the Christmas sale.

The next Ceramic Studio meeting will be held Wednesday, November 5.

Webber re-elected Board chairman

Bill Webber, chairman of the St. Albert Protestant Separate School District No. 6 was re-elected to the position of chairman for a second term by his fellow trustees at the regular board meeting of October 8. The position carries a slightly higher honorarium to compensate for the additional responsibilities. At the same time, Trustee Dr. W. Cuts

was re-elected as vice-chairman for another term.

BOARD APPROVES PHASE 1 OF IMC

The board approved the implementation of Phase 1 of the Instructional Materials Centre. This centre will have as its objective facilitating and improving the learning process. The media program

concept underlying the creation of the centre emphasizes the co-ordination of information and processes through the direction and guidance of trained personnel.

Phase 1 includes the provision of space and basic equipment for local production of learning activity packages and kits. Equipment and software (books,

film, tapes etc.) would follow the lines of the proposal developed by the Instructional Materials Centre Committee who would be limited by the budget approval for each fiscal year (up to \$18,600 for 1975).

Phase 2 of the project which includes the employment of a full-time professional media specialist

and clerical support staff was also approved by the board subject to budget considerations in 1976.

The third and final phase involves centralized distribution of television programming to supplement school facilities and the provision of centralized materials processing. Additional staff trained at the technical level would be required to provide these services. The board felt that prior to the implementation of this phase, a complete evaluation of the program would have to be carried out.

BILL WEBBER

Town of St. Albert

NOTICE OF PUBLIC HEARING

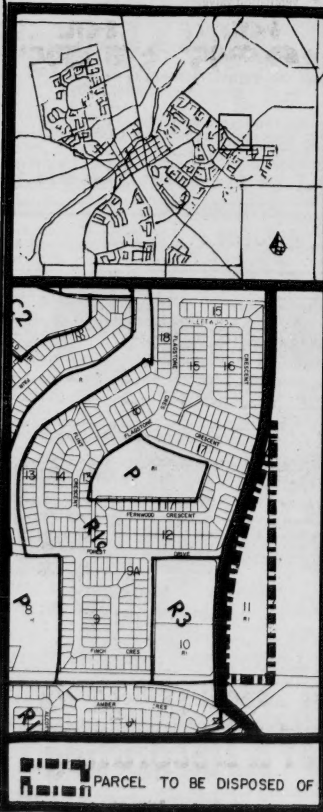

The Council for the Town of St. Albert passed the following resolution at a council meeting held October 6, 1975:

That the Council for the Town of St. Albert apply to the Provincial Planning Board for an order to approve the sale of Public Reserve Lot 1R, Block 11, Plan 4476 R.S. with the monies so received being applied to the purchase of replacement reserve and that a public hearing on the disposal of Public Reserve Lot 1R, Block 11, Plan 4476 R.S. be held at 7:45 p.m., Monday, November 3, 1975, in the Council Chambers in the Town Hall Annex.

A previous Provincial Planning Board Order was issued approving an exchange on March 2, 1971. As this order has lapsed, it is necessary to re-advertise.

Any person who is the registered owner of land abutting or adjoining the reserve parcel or residents who claim to be affected by the proposed disposition of the reserve may submit written objections to the resolution to the undersigned prior to Friday, October 31, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

ROBERT L. BYRON,
MUNICIPAL SECRETARY.

French playschool resumes

French Playschool resumes for four and five year olds has begun another interesting year. Started last year this happy school is rapidly becoming very successful due to the hard work and high-set goals of the administration. The leader, Madame Florence Lefebvre, and assistant Mrs. Fern Montpetit, have no problems gaining interest control over their tiny students.

The program contains arts, crafts, singing, dancing, story telling and a general play period. Last year some field trips were taken including a trip to the University

Farm. This year plans are in the making for more varied trips. If you are interested in your child partaking in this playschool program, please call Lorraine Hebert 459-5491 or Madame Lefebvre 459-7030 for more information.

The official name of the playschool is "Les Tourne-sols" which means the "Sunflowers." On October 16 a Thanksgiving program was planned and Grand-pere et Grand-mere Thomas Belley were invited to attend the school where the children presented them with a Thanksgiving Fruit Basket.

New town Kiwanis

A new St. Albert Kiwanis Club under the sponsorship of the Oil Club has been formed.

The new club will receive its charter from Kiwanian Don Goodfellow, the district governor of Western Canada in a special ceremony later this month.

The presentation ceremony was held at the Club Mocambo, 200 St. Albert Road on October 17 at 6:30 p.m.

"Touch A Life" is the

Kiwanis International theme for 1975 - 76.

Some of the projects that Alberta Clubs are involved in include: The Alberta Special Games for Mentally Handicapped People; Operation Friendship which supports the building of a senior citizens' residence in the Boyle Street area, the Association for Children with Learning Disabilities, the Kiwanis Music Festival and many other projects directly involved with people.

BUY NEW CANADA SAVINGS BONDS

New Canada Savings Bonds—one of the best things you can do with your money. They offer you a great combination of security, income and flexibility.

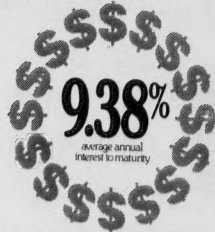

They're secure, because Canada Savings Bonds are backed by all the resources of Canada.

They pay good income, an average annual interest to maturity in 1984 of 9.38%. Each \$100 bond begins with \$8.75 interest the first year and then pays \$9.50 interest for each of the remaining 8 years.

They're flexible, because you can buy Canada Savings Bonds in amounts from \$50 to \$25,000 for cash or on instalments. And they're cashable anytime, at their full face value plus earned interest.

Join the millions of Canadians who have taken advantage of the security, income and flexibility offered by Canada Savings Bonds.

They're on sale now, wherever you bank or invest. Buy your new Canada Savings Bonds today.

Security · Income · Flexibility
The Great Combination

Senior folk enjoy bowling

A card party for senior citizens will be held on Thursday, October 23 at 1:30 p.m. in their recreation centre. All 'seniors' are invited. They don't have to be members of the club but if they would like to join,

memberships at \$1 each will be available on Thursday.

Coffee and tea will be served and there will be time allowed for 'socializing' so that everyone will have a chance to talk and get to know each other. And, at the

same time, the executive of the club will be trying to find out what everyone is interested in and what activities they would like to see happen in the centre.

Regular events at present

include card parties and bingos which are held on alternate Thursdays at 1:30 p.m. and on Tuesday and Friday evenings, the Centre is open from 7 - 9 p.m. for dropping in to read, have a game of cards or pool, watch television - or just sit and talk! There has been a very good turnout for the bowling which takes place on Wednesdays from 11 a.m. - 1 p.m. at the Bowling Alley in Grandin Shoppers' Park. And after bowling, the Centre is a very handy place

to walk or drive to for lunch and a get-together. Phone Mr. Liptak at 459-6568 or Mr. Borle at 459-6215 if interested in the bowling.

On Tuesday, November 14, the Senior Citizens were guests in their own centre when members of the French Social Club provided a very enjoyable evening of entertainment. There were solos and sing-songs in which everyone joined, dancing as well as a lunch which was also provided by the French Club. A very good time was

had by all.

The library in the Centre has increased considerably through recent donations of books and magazines received from Mrs. T. H. Tanner and Mrs. H. F. Kary whose generosity is much appreciated. There are now both hard-cover and paperback books to suit all tastes; mysteries, romances and classics by well known authors and magazines and publications on all kinds of crafts. There really is something for everyone.

Mounted on a wall in Ed Terrier's Marineland is an eight-foot long, 132 pound Salifish he caught during the first week of February in Acapulco. He said he took 2½ hours to land the fish. When it was alive, he said, its colour was dark blue with few highlights. Exposed to the surface, the fish's colour turned a lighter blue and pale yellow markings appeared.

NEW PRODUCT -- Peter Kains, president of Gray Beverage (Alberta) Ltd., and General Manager Jack Rutherford of St. Albert, examine the new 1.5 litre bottle of Pepsi Cola being introduced in the province. Gray Beverage, in a major move in the Canadian soft drink industry, recently purchased the Pepsi Cola Franchise and plant in Edmonton to become Alberta's largest soft drink bottler.

Get ready for winter with this 14-Point Winter Tune-up Package INCLUDING PARTS AND LABOUR

The Gulf 14-Point Winter Tune-up Package has been specially designed to help get your car through the worst winter.

UNICEF uses Alberta Government money

Alberta UNICEF (United Nations International Children's Fund) announced at a recent provincial executive meeting that it has received its share of the matching grant program from the Alberta Government.

The amount is based on funds UNICEF raised in the province for International development for the 1974-75 campaign with its 'Hallowe'en and Greeting Card drive plus other generous donations for a total of \$175,000.

The fund is administered by the Alberta Committee of International Agencies; 35 agencies working together with a representative board of directors, and executive director.

Five per cent of the money is used for education projects in the province of Alberta so that Albertans may know what is happening in areas of concern namely nations of the world known as the lesser developed countries, and how funded projects are helping those countries.

The cash amount of the grant will be used to buy hand pumps for water wells UNICEF is presently drilling in India. \$61,000 in the south provinces.

The pumps have been improved upon by a research team and are now being made in Asia.

Albertans take clean water for granted but for almost 3/4 of the world's population this just is not so. There are mostly water holes that are also used by animals or

ivers that also have polluted water.

There is such a severe shortage in some provinces in India that women stand in line to buy water, while in countries such as India, Tanzania, Kenya and Honduras in Central America women walk a mile or more and may do this several times a day to bring water to their families.

In El Corote, a small village in northern Honduras

a little eight year old girl named Augustina makes a difficult half hour climb over a mountain path to bring river water to her family.

The water she collects is polluted and dangerous to drink. The Government of Honduras with UNICEF's assistance is supplying hand pumps, water pipes, construction wires, agricultural technicians and teachers to help improve the situation.

When a developing coun-

try gets clean water supply, then an immunization program for communicable diseases can be more effective, skills related to agriculture and gardening can be taught also because now there is water for growing food.

UNICEF hopes to combat malnourishment that is so prevalent and so give the developing child a chance at a better life.

The "in-kind" part of the Government grant, \$80,000 will be used to buy western wheat for a feeding program in Bangladesh that will see the efforts of many other governments with the help of the Bangladesh government come together to help that very desperate country. The average income there is only \$50-\$70 per year. Besides its feeding program, so necessary to keep the youth of the

country in fairly good health, so they can be productive adults, UNICEF has pledged \$10 million to provide safe drinking water, as well as water to use for producing food.

With sufficient water and the new Irri rice strain, developed in the Philippines, the country can produce three crops per year. Bangladesh has recently launched "Food for Work" projects with the help of the United Nations World Food Program, that will utilize thousands of tons of grain sent there by many countries of the world, including wheat from Canada. Many Bengali's are now engaged in making irrigation systems, digging canals and embankments, in return for four pounds of grains per person for each eight hour day.

Art Fair at the Gallery

The Christmas Art Fair, an annual event organized by The Women's Society of The Edmonton Art Gallery to raise funds for the Gallery, will be held on Saturday, November 1 from 10 a.m. to 6 p.m.

On sale at this fair will be works by local artists and craftsmen in pottery, painting, jewellery, weaving and batik. Included are also

Christmas decorations such as carolers and wreaths made by members of The Women's Society, silk-screened T-shirts with prints by famous graphic artists will also be available that day.

"Unlike what most people think, The Edmonton Art Gallery is neither a city nor a Provincial Art Gallery, although it is funded by the three levels of government," says Joan Shimizu, president of The Women's Society, "but government grants are not enough to cover even operating costs, not to mention acquisition funds. Membership and donations generate a good percentage of the Gallery's operating funds and the rest is made up by fund raising projects organized by The Women's

Society."

Mrs. Shimizu continued, "The Women's Society is by no means only involved in fund raising. Its educational branch runs the Docent program which trains volunteer guides to lead tours of the Gallery. Last year, over 10,000 school children toured the Gallery through the Docent program. The Society also operates the Gallery Shop and the Art Rental Service, the profits of which go to the Gallery."

The Art Fair is not only a colourful and fun event, but a good opportunity to add to your collection of art objects."

Admission to the Art Fair is \$1, children under 12, if accompanied by adults, will have free admission.

Poundmaker October activities

Recreation activities at Poundmakers Lodge for October will see an Indian handgames and cribbage tournament October 25 and 26.

Entry fee is \$25 per team with eight to 10 players per team.

First prize will be \$150 plus a trophy with second, third and fourth prizes of \$100, \$75 and \$50.

In the cribbage tournament the entry fee is \$1 and the winner takes all.

October 31 there will be a hard times dance with admission of \$1.50 a couple and single people \$1.00.

Music is by the Canadian Express.

AROUND TOWN

There will be a special Sunday celebration October 26 for youngsters coming into the Catholic faith at the St. Albert Roman Catholic Church. The program is for four and five year olds during the 9:30 - 11 a.m. mass. For further information call 459-8740 or 459-7194.

St. Albert High students presented with awards

Wednesday, October 8, 1975 was the occasion of St. Albert High's annual event, Awards Night, when students are commended for their excellent efforts during the 1974-75 school season. This year, many new awards were added to an already very long list of presentations.

Proficiency awards were presented to Denise Young (Gr. 10), Jeananne Kathol (Gr. 11), and Norah Terrault (Gr. 12), who were judged to best combine academic and extra-curricular achievement.

St. Albert Public School District No. 3 made cash awards to Kenneth Bokenfohr, Norah Terrault, and Dawn Cowie, who had the highest averages in four university entrance courses; and to Darrel Granger, Donna Wilson, and Heather Fisher, who obtained the highest averages in four general courses.

Cash award from the school board were also made to students receiving the best marks in each of the Grade 12 subjects: Brenda Wenger (Social Studies), Camille Scheibelhofer (Art), Brian Taschuk (Math 33), Marie Quaghebeur (Physics), Lorraine Kohlweh (English 33), Debbie Thachuk (Business Machines), Ciny Smith (Math 30), Louise Caouette (French 31), Corinne Iseke (Chemistry), Rose Lavoie (Office Practice), Colette Hebert (French 30), Bernice Burns (Typing), Sheryl Comiskey (Shorthand), Joanne McDonald and Kevin Kieser (English 30), Mark Cunningham (Phys. Ed), Meriem Bouvier and Sandy Willas (Biology), Dean Bokenfohr (Accounting), Maura McHugh (Math 31), Jill Chaisson and Mariam Rapati (Religion), Jeannette Henry and Susan Schuchard (Economics).

The Associate Medical Clinic of St. Albert provides a cash award to the most deserving grad entering the medical arts, who was this year Teresa Tworek.

Kenneth Bokenfohr, as the

top Grade 12 student, was given an award by the St. Albert Lions Club.

The Arts and Crafts Guild made an award to Marie Schulte for her outstanding performance in Art.

The Food Services Trophy, donated by Canada Safeway, was presented to Carol Karakonti and Monica Arisman.

Torres Bruinink, the outstanding student in Clothing and Textiles, was presented with the new Clothing and Textiles Award.

Honour Rings were given to the following students: In Grade 10: Kelly Shaughnessy, Laurel Holth, Donna Perrot, Tammy Osborne, Joan Powers, Denise Young, Edna deChamplain, Brian Kathol, Jacqueline Sabourin, Brian Grant, Allison Bell, Michael Lemieux, Lynda Matear, Elise Curial, Mary-Leah McNally, Ron Melchishko, Brenda Lee Newbury, Tim Donnelly, Glen Martindale, Georgette van Brabant, Karen Harkness, Albert Peras, Darrel Bokenfohr.

In Grade 11: Jeananne Kathol, Alan Brenneis, Elizabeth Keyes, Pamela Meakin, Lynne Skow, Bernice McGillis, Jeannine Martel, Lorraine Gravelle, Diane Esslinger, Brenda Ogonski, Brenda Jawszko, Cindy Reinbold, Jan Byer, Lorraine Cook, Sheralee Ohotinsky, Peggy McNulty, Susan Lutz, Earl Evianew, Margot Wilson, Torres Bruinink and Margot Wilson.

All of these students obtained an 80% average on courses throughout the 1974-75 school year.

Religion awards were provided by the School Board to Denise Young and Brian Kathol in Grade 10 and to Diane Esslinger and Alan Brenneis in Grade 11. The outstanding religion students in their grade.

Kevin Kieser and John Kennedy received the Outstanding Student Executive trophy for their outstanding contributions.

The Drama Club Award was presented to LeeAnn

Mr. J. Marchand, left, presented John Kennedy with the Tony Vandergaag trophy and Sarah Van Tighem was presented with the Guy Raboud trophy by Mr. H. Reinhold, at the St. Albert High Awards Night.

Pellerin, recognizing her excellent efforts in the drama field.

Brenda Wenger received the Community League Award, being the grad who both achieved high marks in school, and contributed generously in volunteer activities.

The Major Athletic Award, given each year to the grad having contributed most to school sports, was presented to Sandy Willas.

Joan Powers and Ron Bruinink were the Outstanding Junior Athletes of the 1974-75 school year, having outstanding participation in school sports during that time, their Grade 10 year.

The Guy Raboud trophy was presented to Sarah Van Tighem, in recognition of her fine playing ability and sportsmanship on the girls senior basketball team.

John Kennedy received the Tony Vandergaag Mem-

orial Trophy, being the senior boys basketball player best showing sportsmanship and leadership and playing ability.

Finally medallions were awarded by the Students' Union to the following students who participated in three or more school-sponsored activities during the 1974-75 school year: Sarah Van Tighem, Sandy Willas, Denise Young, Joan Powers,

Tammie Osborne, Ken Van Tighem, John Kennedy, Mike Byl, Ron Bruinink, Brian Kathol, Mary Anne Sanche, Marie Schulte, Maureen Gau, Lorraine Cook, Craig Sutherland, Glen Martindale, Cindy Smith, Dave Raboud and Lorraine Gravelle.

A fine lunch concluded a very enjoyable evening, the annual S.A.H.S. Awards Night.

Scenes from Simpson

By Cheryl Koshman

Now that all of the beginning-of-the-year confusion has partially disappeared, we're getting back into the swing of things, especially sportwise.

The cross-country season is over and our school team did really well. Here are the names of the kids who placed in the top 10 at the October 4 Edmonton CAHPER meet, which was held at Mayfair Park:

10 yr. old girls - Gwen Bauer - 3rd; 11 yr. old girls - Leanne Wilson - 2nd and Lani-Rae Wilson - 6th; 12 yr. old girls - Allison Green - 5th and Lisa Murray - 8th; 14 yr. old girls - Nancy Thibert - 4th; 13 yr. old boys - Keith Heyburn - 9th and David Boyd - 10th; 14 yr. old boys - Layne Wilson - 7th.

The volleyball season is now underway. Both the boys and girls teams have been picked and their first inter-school games are on Monday, October 27. The girls team is at Vincent J. Maloney, and the boys team is at Lorne Akins. The games start after school.

The first outdoor education camp of the year will be held at Narrow Lake on October 24, 25 and 26. But the group attending will be somewhat different than the previous ones we've sent out. It will consist of approximately 10 teachers from Simpson who want to experience for themselves what numerous groups of students have seen and done at Narrow Lake.

There will be another camp made up of 39 grade 7

students going out on November 7, 8, 9 and 10. They will also be going to Narrow Lake, which is about 16 miles southwest of Athabasca.

Last year our Students' Union sponsored a foster child from Vietnam, but since the communist government took over, we have had no response from him. We now have a new 10 year old foster child from Indonesia. We send him \$16 every month, with which he is provided with food, clothing,

and other necessities.

There was a candy sale held at noon and after school on Wednesday, October 15, by Class 7E. The \$17.37 collected will be used to buy aquariums, cages and animals for the homeroom class. It's getting to be that time again when every student struggles to be angelic. Yes, parent-teacher interviews will be held October 21, 22, 23, 28 and 29. Students will be dismissed at 2 p.m. on all days except October 28.

WHEN HALLOWE'EN comes round this year be generous to the little witches and hobgoblins who come to your door. Last year Canadian children once again proved that they are second to none in their concern for others by raising over \$988,000 for UNICEF.

AROUND TOWN

St. Albert Library is having its first book sale Sunday, November 2, between 1 and 4:30 p.m. All books which have been donated but are not in use and discards not in circulation are being sold for 25 or 40 cents. Beta Sigma Phi are helping to set up and run the sale. People looking for bargains at unflinching prices are welcome. Free cookies and coffee will be served.

About 50 kindergartners were split into groups last

Friday and taken on a tour of Perron Street by their teachers Mrs. Joan Kelly, Mrs. Rosemarie Michael, Susan Dickson and two volunteer mothers, Mrs. Dietrich and Mrs. Sylvestre. The children were shown what a town's main street has to offer. Their classes are being held in St. Albert's United Church and Lutheran Church until the building of Ronald Harvey Elementary School is complete. Mrs. Kelly said it is hoped the school is ready by November 3.

Accent on Akins

By Michele Christensen
To start anew this year, Students' Union Elections were held on Friday, November 21. Candidates were all running for positions on the Students' Union Council. Included in these positions are the offices of president, vice-president, secretary, treasurer, social convener, girls' sports representative, boys' sports representative, and as well as 17 representatives - one from each home room.

The speeches took place on the previous Thursday and the actual voting on Friday. Most speeches went smoothly, but I can guarantee that most candidates have no fingernails left to nibble on! Voting results were announced Friday afternoon, this year our executive is: President - Danny Fish; Vice-President - Michele Christensen; Secretary - Andrea Wilcock; Treasurer - Bonnie Cinnamon; Social Convener - Joni McBeth; Boys' Sports Rep. - Steve Aldred; Girls' Sports Rep. - Patricia Saunders. "Congratulations!" rang throughout the school as the news quickly spread.

To celebrate the elections, and to meet new friends, a "Soc Hop" dance was held after the speeches Thursday. The Lorne Akins spirit was shown when anyone who wore a crested L.A. t-shirt would be able to get into the dance without admission.

We now have what is known as the "House" system at Lorne Akins. It is so named because the classes are divided into houses. Each house is identified by a different color. For example, classes 7-1, 8-1 and 9-1 are named the Black House, and so on. From each school event, points are given for participation and standings in that event. These points are also given to certain houses when an executive in that house participates in Students' Union meetings. The first event to take place under the new system was on Thursday, September 18, and was called "The Terrible Turkey Trot."

The Terrible Turkey Trot took place on the L.A. Run (as students call it). The L.A. Run begins at the school, crosses the field to Sir Winston Churchill Avenue, then up Fairview Boulevard and finally back to the school. The Gold House came in first and the Blue

House was second. The very first person to complete the race was Harold Brubaker.

The second intermural activity was a cycle drag held on the track on Lorne Akins Field. The object was to complete one or two laps around the track with a standard bicycle (about 1/4 mile). Then exchange the bicycle with another classmate. The results? The Green House came in first and Blue House was second.

Many more events similar to the ones above will be happening throughout the year and all of us will be sharing in the fun.

DANNY FISH, PRESIDENT
Lorne Akins Students' Union

"KEEP ON PEDLIN"

Four generations of lovely women were photographed at the recent re-union of the Schiavon family held in Italy on the occasion of the 50th anniversary of their parents. From left are great grandmother Luigia (several times a visitor at her son Tony's home on Fenwick Crescent), grandmother Maria Servanti, mother Natalia Pignatta and baby Maria Novella.

TOWN OF ST. ALBERT

PROCLAMATION "POPPY WEEK"

WHEREAS the Royal Canadian Legion has requested that November 3 to 8, 1975 should be designated as "Poppy Week"; and

WHEREAS hundreds of thousands of Canadians have served with distinction in our armed forces in defending our country and our democratic way of life;

THEREFORE, I, Dr. Richard H. M. Plain, Mayor of the Town of St. Albert, do proclaim the week of November 3 to 8, 1975 as "Poppy Week" in St. Albert.

R. H. M. PLAIN

Town of St. Albert SOCIAL SERVICES BOARD

The Town of St. Albert invites residents to apply for membership on the Social Services Board on which there is currently four vacancies. This is an opportunity for positive action in the area of citizen participation related to community social services.

If you have a community awareness, sound judgement and openness of mind, if you have the time to give, then apply in writing prior to Friday, October 24, 1975 to:

OFFICE OF THE ADMINISTRATOR
TOWN OF ST. ALBERT
TOWN HALL, ST. ALBERT.

Town of St. Albert

NOTICE OF INTENTION

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close and sell all roads and lanes in the remnant portion of Blocks 1, 2 and 3, Plan 5428 A.W., with the exception of the portion of the lane separating Langley Avenue from Lots 4 and 5, Block 3, Plan 5428 A.W., all within the area of St. Albert known as Lacombe Park.

Section 175 of The Municipal Government Act, Chapter 246 R.S.A. 1970 as amended provides that Council subject to the approval of the Minister of Transportation, may pass a bylaw for this purpose.

Bylaw No. 30/75 has been prepared and will be presented to Council on November 17, 1975 for first reading and will then be submitted to the Minister of Transportation for his approval prior to the final passing thereof.

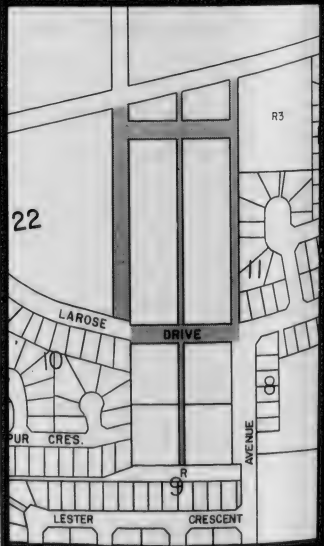

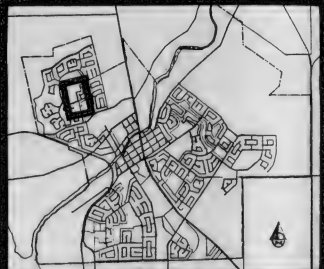

This notice shall be published each week for two consecutive weeks, the last of which will be on October 29, 1975.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise shall be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Municipal Secretary at his office until November 13, 1975.

ROBERT L. BYRON
MUNICIPAL SECRETARY.

AREA TO BE CLOSED

Consumer offered protection from unscrupulous contractors

In 1974, all building laws in the province of Alberta were put under one code, "Alberta Building Regulations." From that date on, all municipal and local regulations were null and void.

Local bodies still do the leg work, but they are doing it by provincial standards. A new and more comprehensive edition of the code will be coming out early next year. The "Alberta Building

Regulations," which contain the rules of the National Building Code plus rules of the province, is a boon to people buying houses. Business is also protected under the legislation. Provincial regulations are there to cover more ground than local regulations, and will give the consumer that much more protection.

All the provinces are looking into the possibility of establishing uniform regulations. However so far only British Columbia, Alberta and Manitoba have attempted to make a uniform code.

The only thing not covered by the Alberta legislation are barns and small machinery shops.

It was five years ago that a committee was first established said Dave Monsen of the building standards branch. Two years later, the committee determined that a uniform building code was feasible. On January 3 of 1974, the province passed legislation on the matter and set up the building standards branch.

Mr. Monsen emphasized that there are certain things the "Alberta Building Regulations" do not cover. He said his department could not get involved in matters like workmanship, unless the structure of the building was affected. He can't do anything about a poor paint job or warping bathroom doors. This is an area where the buyer should get a good warranty to ensure the quality of materials and the workmanship. It would also pay to get a lawyer to draw up a viable contract to set the terms of the warranty.

He also emphasized that regulations only set MINIMUM standards. The cheap looking material that is being used might not seem right, but it might meet the standard.

The inspection procedure is a pretty comprehensive one. The check list that the building inspector is given deals with the most minute details.

The inspector checks plans of the building. He also examines the structural frame of the building and the finished product. This three part inspection serves as a control on unscrupulous contractors. The threat of the building inspector dropping in on them anytime, usually ensures that the work is done

well.

Smaller communities can get aid from the building standards branch. The department tries to provide as much back-up support as possible to the small town building inspector. They explain details of regulations to them and send their own staff members, to aid the inspector when demands prove too much for the inspector to handle.

THE REGULATIONS

Purpose of the regulations are to safeguard the life or limb, health, property and public welfare with respect to the design, construction and alteration of buildings by the provision of appropriate minimum standards. The regulations do not apply to the factory construction of mobile homes built before January 1, 1976. After that date, mobile homes will come under the code.

Every owner of property shall permit the authority having jurisdiction to enter any building or premises at any reasonable time for the purpose of administering or enforcing regulations.

According to a booklet put out by the department of labour, single family dwellings are protected by regulations covering materials, systems and equipment. Categories include room and space dimensions, doors, windows, stairs, fire protection, excavation, waterproofing, drainage, foundations, columns, crawl spaces, roof spaces, above grade masonry chimneys, fireplaces, roofing, siding, stucco, interior wall and ceiling finishes, flooring, plumbing, ventilation, heating, air conditioning, electrical work and garages.

There are also sections devoted to wood frame construction, post, beam and plank construction, and plank frame wall construction.

OTHER STANDARDS

Other institutions still maintain building codes. There are either financial institutions like Central Mortgage and Housing and Alberta Housing; or business-operated organizations like HUDAC (Housing and Urban Development Association of Canada).

HUDAC is responsible for the "New Home Certification

Program." New home certification got off the ground last November, when a group of contractors got together and warranted all their buildings.

Since March 1, more than 8,000 homes have been warranted. About 95 per cent of new single family houses have been warranted. About 40 per cent of the apartments in Alberta are owned by members.

The warranty covers all workmanship and materials for one year. Structural defects are covered for a period of five years. The down payment and deposit is protected to a maximum of \$20,000.

HUDAC spokesman Ron Axelsson said the warranty was pretty well all inclusive. Defects in workmanship or materials are likely to be noticed long before the one

year period was up. It is unlikely that there would be more than 20 thousand dollars damage to a house. Half the house would have to be destroyed first.

Although HUDAC is largely developer inspired, it does have input from the department of consumer affairs and other organizations.

Alberta Housing Corporation won't give mortgages or loans to builders unless their homes or apartments come under new home certification. In some cases, they will allow a person to act as his own contractor if they feel he is qualified. In those cases, they will waive the new home certification requirement.

The builder also has to come up to the standards of the "National Building Code" and the provincial government's "Alberta Building Regulations."

AREA TO BE CLOSED

TOWN OF ST. ALBERT

NOTICE OF INTENTION

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close road allowances within River Lots 22 and 23, bounded on the north and west by the innermost edge of Larose Drive, on the south by the northern edge of Plan 5428 A.W. and on the east by the western edge of Plan 2924 T.R., all within the area of St. Albert known as Stage 9, Lacombe Park.

Section 175 of The Municipal Government Act, Chapter 246 R.S.A. 1970 as amended provides that Council subject to the approval of the Minister of Transportation, may pass a bylaw for this purpose.

Bylaw No. 32/75 has been prepared and will be presented to Council on November 17, 1975 for first reading and will then be submitted to the Minister of Transportation for his approval prior to the final passing thereof.

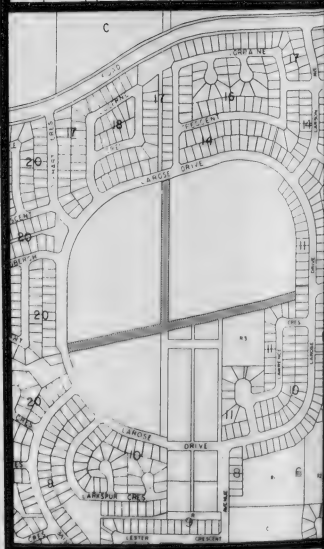

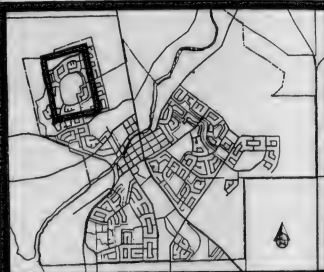

This notice shall be published each week for two consecutive weeks, the last of which will be on October 29, 1975.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Municipal Secretary at his office until November 13, 1975.

ROBERT L. BYRON
MUNICIPAL SECRETARY.

AREA TO BE CLOSED

NDP Legislative report

By Grant Nolley, MLA
Leader, Alberta NDP

SPENDING RESTRAINT

In justifying the recently announced 11 per cent limit on increases to provincial grants for education, health and municipal financing, the

Provincial Treasurer stated Alberta already spends more per person on services to people than any other province in Canada.

Our research shows that is simply not true. A Statistics Canada survey for 1973-74 shows Alberta second in per capita spending for health,

fourth in education spending and eighth in social welfare. A survey of 1975-76 spending estimates shows Alberta clearly behind British Columbia, Saskatchewan and Ontario in per capita spending on services to people. Alberta is particularly deficient in spending on day care, dentistry and other medical services, and services to the mentally and physically handicapped.

The result of the 11 per cent guideline is that Alberta will fall even further behind other provinces in providing these services.

HERITAGE FUND CONFERENCE

The provincial government is expected to introduce legislation this fall setting up the Heritage Trust Fund. Unfortunately, it appears the government would like to have this matter settled without public debate, even though this multi-billion dollar fund is of great importance to the future of Albertans.

With this in mind, the New Democratic Party has decided to sponsor a public conference on the Heritage Trust Fund. The purpose of

the conference is to stimulate debate on the Fund, to formulate policy, and to establish a united opposition to any government plan to give away the money to the corporate sector.

A wide variety of interest

groups, as well as representatives of the NDP, have been invited to attend. I urge any group which has a stake in the Fund or an interest in preventing a government giveaway to send a representative to the conference.

The conference will be held Friday, October 31 and Saturday, November 1, at the University of Alberta in Edmonton. For further information write to John McInnis NDP Provincial Office, 10361 - 97 Street, Edmonton.

Film on today's youth

St. Albert Social Services Board, (SASS), will be presenting the NFB production "Nobody Waved Goodbye" on October 29 at 7:30 p.m. in Vincent Maloney School. Admission is free.

The film focuses on some of the difficulties and problems youth have to contend with in today's materialistic world. It will be followed by a

panel discussion with the audience invited to participate.

The panel members are: Bernie March, director of parks and recreation; Maria Jarman, Associate Clinic counsellor; Kel Townsend, SASS BOARD MEMBER* RCMP Sgt. Murray Thompson, Doug Horchuk and Norm Tinker, of the St. Albert Youth Society.

Mrs. Joan Gaunce, Town of St. Albert Community School co-ordinator will be moderating the panel discussion.

All in a days work - Fireman are responsible for saving the lives of many children each year. This child was rescued when his house caved in on him after a gas explosion trapping him beneath the rubble.

Comets open season Friday at home against Leduc

The St. Albert Comets senior hockey team will open the 1975/76 Edmonton Central Hockey League this Friday at home against the Leduc Oilers. Game time is 7:30 p.m.

Comets, under coach Dale Ripple, put together a 12 game winning streak last season to finish on top of the nine team league and then took out Sherwood Park Barons and Fort Saskatchewan Huskies in the playoffs to win the Molson Trophy for the first time since entering the league four years ago.

Other members of the top senior league in Alberta are Stony Plain Eagles, CFB Trojans, Barrhead Sabres, Edmonton Bruins, Winterburn Tahmahawks and Westlock Eagles.

Comets will have 13 players back from last year in

Zane Jakubec, Mike Stewart, Richie Perrault, Bob Beaudoin, Jim Stewart, Perry Pearn, Bob Pearn, Paul St. Cyr, Paul Fatjewski, Randy Clarke, Brian Stevens, Wally Monson and Andre Contant.

NEWCOMERS LOOK GOOD

Newcomers who are still with the team and looking good are Hugh Steele (Barrhead), Doug Swanson, Neddy McLean, John Koyczan, Dave Lockart and Earl Evaniew.

Evaniew (17) is an excellent skating forward just out of midget (Sportshop Barons) and has a good chance to make the team.

Koyczan is also a top-notch player and should make some points with his booming shot.

Jakubec and Stewart are the two best goalies in the league while Perrault and Beaudoin are the cream of the crop on the blueline. Neither would look out of place on the pro-Edmonton Oilers.

Comets will play a 27 game schedule with 14 games at home on Tuesdays, Fridays and Sundays.

Their first away game will be in Barrhead Sunday afternoon, October 26.

WIN TWO EXHIBITIONS

St. Albert has played two exhibition games to date and won both. Calahoo Scorpions of the Sturgeon League fell 13-2 as Paul Fatjewski rapped in four goals, while rookie Evaniew had a pair and three assists in his first game.

Last Sunday Comets played the Edmonton Bruins, a new entry in the league and came away with a 4-1 win in a penalty-filled game that was called at the 15:02 mark of the third period.

Koyczan led the way with a pair of goals while Fatjewski and Bob Pearn added singles.

Referee Ross Thomas had his hands full calling 25 penalties, 16 to the Bruins including six for fighting. Comets had five players ejected for fighting.

Bruins will quickly find out that there is no way they will win with their attitude, as they may have discovered in their first taste of action.

Comets have a fast skating and hard hitting team that will not be intimidated. They should be close to the top again this year.

Inter-squad game set for Generals

St. Albert Standard Generals Junior B team under coach John Ewen will hold their first inter-squad game Thursday, October 23 in the St. Albert Arena.

Game time will be 7:30 and fans wishing to see some good action will be allowed in free of charge.

Ewen has the 26 players still on the team into two squads as follows:

Team #1 - Lloyd Olson, Terry Kieser, Roger Meunier, Gary Ferguson, Bob Wallis, Scott Ballentine, Dave Grice, Ian Langridge, Murray McLean, Ralph Chambers and Brian MacDougall.

Team #2 - Doug Cinnam

on, Claude Regimbald, Dave Kieser, Pat Frewer, Barry Medor, Denis Gagne, Steve Foreman, Chris Hofart, Jim Hole, Larry Kozachuk, Kris Nickerson and Wayne White.

CUTS LIKELY

Following the game Ewen will no doubt be cutting down and those making the team will play an exhibition game against Wainwright Bisons Sunday, October 26 at 3 p.m. in St. Albert. Admission will be charged, \$1.25 for adults, \$1 for students and senior citizens, and children under 12 will be admitted free.

Peewee A's lose to Calgary

St. Albert had two provincial contenders in soccer competition this year. The peewee B team who won the provincial title and the peewee A's coached by Herman Nipp who were northern Alberta finalists after taking out Edmonton Malmo.

However the A's took a 1-0 defeat at the hands of Calgary's Bona Vista Club, playing in Calgary, October 5. The same two clubs met in the provincials last year, but at that time the St. Albert team were on top of the same 1-0 score.

Coach Herman Kochan

said his boys had a "very bad game. They just couldn't put anything together that day, although they had won tougher matches in the northern playoffs, and should have been able to handle the Calgary team more easily this year than last."

Last year the peewee A's won the provincials with a young team, mostly in the lower age bracket, but this year they carried over most of their players. The fact that they had to travel and play the same day may have had something to do with the upset.

Paul Kane wins tennis match

Paul Kane High School won the eighth annual Tennis Club Challenge Cup last week by defeating St. Albert High 4-1 in matches. The singles winners from Paul Kane, both of whom played tennis at the Alberta Summer Games, were just too over-powering for their St. Albert High opponents. Bill Osborne defeated Phil Cordell 6-0, 6-1, while Valerie Green defeated Georgette Van Brabant 6-0, 6-2.

All the doubles matches were much closer however with Ron Bruinink and Brian Kathol giving St. Albert High their only victory by defeating David Reid and David Cramer 6-4, 6-3. Brian Dunik and Heather York of Paul Kane won the mixed doubles in a close contest over Wayne White and Shelley Small 6-4, 2-6, 6-4.

The closest match of the day was a 2½ hour marathon which saw Janet Neeser and

Sue Koch of Paul Kane finally defeat Denise Young and Suzanne LaFrance 6-7, 7-6, 6-4. All the players on the winning Paul Kane team were members of the tennis club.

Judy Wood, representing the tennis club presented the trophy to Fred Res'or, coach of the Paul Kane team.

Figure skating competitions

The Edmonton Zone sub-sectional figure skating competitions are being hosted by the Auralta Club on Saturday, November 1 and Sunday, November 2 from 8 a.m. until 6 p.m.

The Edmonton Zone is

comprised of 14 clubs in the city, Sherwood Park and St. Albert.

Winners in this competition will go on to Calgary and Regina for sectional and divisional competitions.

Roosters down Willowbrook for football championship

Lacombe Park Red Roosters playing a very disciplined brand of football, defeated the league champion Willowbrook Homes 27-9 in a very exciting game played Saturday at Langley Field. The win gave the Roosters the championship.

The Roosters opened the scoring at 1:27 of the first quarter on a 48 yard "delay-type" run by Tim Heaton. Willowbrook Homes great halfback Denis Sabourin broke tackles and galloped for 38 yards for his major and

Brent Biallo punted for a point to put Willowbrook in front 7-6.

In the second quarter Lacombe Park Red Rooster scored and took the lead which was never relinquished. Robert Morrison scored his first major at 11:48 with a 27 yard run. Garnet Doll missed the convert but did kick a 24 yard field goal. The score at half-time - Roosters 15 - Willowbrook 7.

The third quarter saw Morrison score his second touchdown at 4:09 on a

brilliant 56 yard run. Willowbrook Homes managed a safety touch at 11:35 with Keith Wells making the initial tacky in the end zone.

The final touchdown was scored at 10:51 of the fourth quarter by Cameron Swist of the Roosters.

Ross Johnston head-coached the champion Lacombe Park Red Rooster squad and did a very commendable job.

Bob Lorimer was the coach who took his Willowbrook Homes to the league championship but just fell short of taking everything.

Willowbrook Homes who came through the season on top of the bantam league - [11] Jay McNeil, [13] Mark Barry, [15] Troy Shelemey, [17] Victor Peterson, [19] Brent Biallo, [21] Denis Sabourin, [23] Michael Munro, [25] Kurt Trent, [27] Tom Munro, [29] Michael Greaney, [41] Kory Stevens, [43] R. Craig, [45] Chris Brown, [47] James Frost, [49] Keith Wells, [51] Brian Rasmussen, [53] Craig Popoff, [55] Lee Olesen, [57] Todd Lesenko, [59] Craig Iske. Coach - Bob Lorimer; Ass't. Coach - Doug Croteau.

Town backs away on legislating holiday

St. Albert has backed away from declaring Remembrance Day November 11 as a civic holiday.

Town council came to this decision at its regular meeting last Monday night.

Discussion centered on whether the town should observe it as a statutory, legal or civic holiday.

But the point which seemed to make council back away from the knotty problem came when Mayor Dick Plain told of a case in a community near St. Albert

where a business was being continually fined for not observing a civic holiday. Each time the offence occurred the business was fined \$150 according to the mayor.

Councillor Margaret Smith was leary of the town's responsibility in this and only wanted the holiday statutory if it was national.

Councillor Myrna Fyfe expressed concern over the continual erosion of a Remembrance Day Holiday and not setting it properly aside. She pointed out that some businesses observed the day. The town should declare that (the rest) should observe it, she said.

Town administrator Bob Byron expressed concern over enforcement provisions if the town stuck its neck out and declared the day a holiday.

Councillor Rod Thronsdon tried to wriggle out of the impasse by saying make Remembrance Day a legal holiday with the intent that all businesses should be closed.

AROUND TOWN

Mr. and Mrs. A. Ralphs, former residents of St. Albert are returning to Vancouver after spending a few days with Renee Laird.

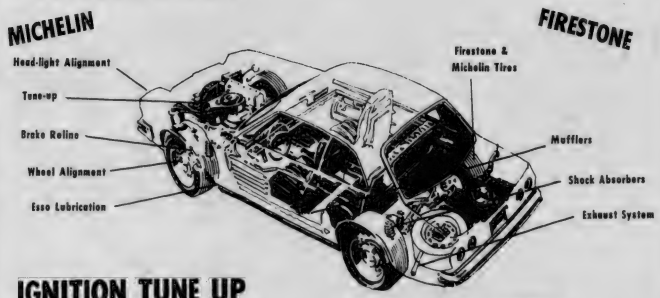

Unfortunately time did not permit them to visit all their many friends. However, they didn't fail to notice the many changes which had taken place during their absence but were glad to find shoppers were still receiving the same friendly service.

Drama goodies in Edmonton

A number of dramatic goodies are coming up in the next few months at the Citadel Two and Studio Theatre in Edmonton.

October 23 sees the Studio Theatre's 27th season open with William Saroyan's widely acclaimed, "The Cave Dwellers." The occupants of the "Cave" are a wierd and wonderful collection of indigents in a lower east-side theatre which is about to be demolished by a wrecking crew.

Performances will be nightly from October 23 to November 1 (excluding Sun-

day) commencing at 8:30 p.m. There will be a matinee performance - 2:30 p.m. October 25.

Box office opens October 16 and tickets (\$2.50 to non-students and free to students with I.D. cards) may be obtained from Room 3-146 of the Fine Arts Centre, 112 Street - 89 Avenue or by phoning 432-1495.

October 20 sees the Citadel Two open its official season with "Compulsory Option" by Vancouver playwright Sharon Pollock. This play is hailed as black

comedy at its best.

Dame Peggy Ashcroft will be appearing at the Citadel October 25 and will play opposite Theatre Director John Neville in Jerome Kilt's "Dear Liar." That play will be running for five weeks till November 29. Dame Peggy and Mr. Neville have previously appeared together in a Shakespeare poetry recital in London and Cambridge.

January 12 the Citadel will perform Michel Tremblay's "Rosanna" a devastatingly blunt play about two transvestites. This is recommended for mature audiences.

Mr. Neville will appear in Samuel Beckett's "Endgame" opening February 16.

The final play of the season will be a Canadian work to be announced by John Neville.

Citadel tickets are available through the Citadel Box Office at 10030 - 102 Street, phone 424-2828.

Carlsbad Caverns once sheltered 9,000,000 bats in its famous Bat Cave. Today, at sunset, hordes of bats still swarm out of the cave—18,000 a minute, more than 1,000,000 an hour—to feed on insects in distant fields, according to National Geographic's book, "The New America's Wondersland."

.. ..

Hold it!

Before you finish that home or renovation project, let AGT pre-wire it now for telephone service later.

HOMEOWNERS!

Renovating? Great! But before you put up that wallboard, let us pre-wire your telephone outlets — at no cost to you. That way you can add phones any time, without unsightly wires along baseboards or up and down walls. Pre-wiring also saves time and trouble when you're ready to add a phone. So before you start that wall, give AGT a call!

CONTRACTORS!

Pre-wired telephone outlets are a great home selling feature. Customers like the convenience of adding phones when and where needed, without the cost and trouble of running wires to hard-to-reach places. AGT's pre-wiring service is free. But it must be done at the framing stage. Ask for our pre-wiring brochure.

For pre-wiring service, dial '0' (Zero) and ask the Operator for Zenith 22002 (toll free).

Keeps you in touch with convenience

McKENZIE DISTRICT

BROWNIES & GUIDES

The general fall meeting of the McKenzie and District Brownies and Guides L.A. will be held at the Grandin Clubhouse (next to the swimming pool) on Wednesday, October 29 at 7:30 - 10 p.m.

The McKenzie District en-

compasses all brownies and guides from Akinsdale, Braside, Forest Lawn and Sturgeon Heights areas.

This meeting is open to mothers and daughters and will be of great interest to both as it will be highlighted with visual and oral descriptions of trips that were made

by local guides and rangers to various parts of Canada and Great Britain this past summer. These trips were made in conjunction with the "Guiding on the Move" theme of 1975 which has proven a great motivation for the Guides and Brownies of our area.

ST. ALBERT CHESS CLUB

The St. Albert Chess Club meets every Wednesday at 7 p.m. to 11 p.m. in the Mission Clubhouse. There is a \$50¢ per evening charge but your first night is free, so come down and play a few games. Please bring a chess set if you can. For further information, call Lawrence at 458-2877.

INTERMEDIATE "A" HOCKEY

The St. Albert Comets will be playing the Leduc Oilers at the St. Albert and District Arena on October 24 at 7:30 p.m. Admission is \$1.50 for adults, \$1 for students, 50¢ for children.

On October 26 the Comets will be playing the Barhead Chiefs in Barhead.

Minor Hockey now underway

The Kinsmen Minor Hockey Association is well underway with a number of divisions holding try-outs to determine A and B calibre players.

Late registrations are still

coming in and will be accepted until October 31. Only new residents will be allowed to register after this date.

There will be no girls hockey this season as not

enough registered to make up two teams.

To date only 25 or so juvenile age players (16 - 18) have registered and if no more come in there will not

be any league this year. Any players who want to play and have not registered, are asked to please do so immediately at town hall recreation department.

LACROSSE ASSOCIATION

The St. Albert Lacrosse Association will be holding their annual meeting, Tuesday, November 4 at the Mission Clubhouse (next to the Tennis Courts) at 7:30 p.m. On the agenda will be election of officers for the 1976 season and an introduction to the Winter Lacrosse Development program. All parents and interested persons are urged to attend.

COMMUNITY CHOIR

Adults and students interested in forming a community choir are invited to attend a meeting at Leo Nickerson School, 10 Sycamore Avenue on November 20 at 7:30 p.m. The meeting will be held in the music room. If you have any questions regarding Community Choir, phone the Parks and Recreation office at 459-6601.

Crusaders win consolation event

Carma Crusaders showing awesome offensive power came up with their first win of the year to beat Standard General 36-21, in the consolation football playoff.

Standard General opened the scoring in the first quarter on a one point rouge by Tim Schroder.

Carma exploded at 1:13 of the second quarter on a 17 yard pass and run play from

Mark Akins to Tracy Fizzell, which Fizzell converted for two points. Also in the second, Akins hit Mark McKenzie on a 58 yard pass and run for Carma's second major. Fizzell again converted for two points.

Standard General scored their first major just before the half on a 57 yard broken field run by Kevin Plaisant. Schroder converted for two

points and the half ended with the score Carma 14 Standard General 9. The third quarter saw Carma score two touchdowns, one by Ian Smith and the other by Jim Nachtigal. The fourth quarter had Carma scoring at 0:38 of the second mark with Christopher Hughes plunging in from two yards. Fizzell converted for two points.

Standard General then

made the score respectable scoring two majors, the first by Dwayne Malone at 3:56 and Brady Ficko at 14:03.

Carma Crusaders were coached by Keith Hembroff and staff. Jim and Rod Wilshire were the head coaches of Standard General. St. Albert Minor Football Association thanks all those people who helped make the first year a great success.

Referees clinic this weekend

The Kinsmen Minor Hockey Association will hold a level four Canadian Amateur Hockey Association referees clinic this Saturday and Sunday.

Kinsmen referee-in-chief Bob Wallis has obtained qualified personnel from Edmonton to come out and give classroom and on-the-ice instruction.

The rule book will be gone

over as there are a number of changes.

The clinic will start at 9 a.m., Saturday in the Grandin Clubhouse next to the swimming pool.

On the ice instruction will be held in the arena Sunday morning at 9 a.m.

For further information phone Bob Wallis at 459-5216.

Coaches, referees wanted

Coaches and referees are still required to complete the Kinsmen Minor Hockey program. Peewee, Shaver and Midget coaches are needed and

anyone interested in helping the youth of St. Albert is asked to call Jim Watt (shaver) at 459-4770; Harry Kirk (midget) at 458-1405; Gene Pevai (peewee) 458-

2197.

Referees wishing to help may call Bob Wallis at 459-5216.

Head statistician, Larry Mitchell is also looking for interested persons willing to

keep track of statistics on players and teams. He can be reached at 458-0000 (business) or at home 459-4941.

Year of the pheasant '77

The St. Albert and District Fish and Game Society met during the summer with Mr. Dave Neave, chief wildlife biologist and Hon. Alan Adair, minister of Recreation, Parks and Wildlife.

Items discussed at these meetings were the participation of the Alberta Fish and Game Association and its affiliated clubs in the distribution of pheasants from the new Brooks Experimental Station.

The results of these meetings were very encouraging. A plan was put forth for the use of certain farms as contractors to raise the pheasant chicks from six

weeks to 10 to 14 weeks of age. These birds would then be released on sites with suitable habitat which would be maintained for their use.

It was indicated that the new hatchery could provide up to 100,000 birds per year when it is fully operational in 1977. This means that we will be able to obtain pheasant chicks for every club that wishes to participate in the program.

It was also indicated that incentives will be available for capital costs involved in the setting up and maintenance of this project. These could when finalized aid with the building of rearing pens,

necessary feed and incentives to landowners for maintenance of habitat.

During the remainder of this year and during 1976 these plans will be refined and through zone and club chairman we will obtain contractors and release sites for the birds when they are available.

This is a great opportunity for our association to actively participate in the restoration and maintenance of the pheasant population in our province.

More information will be provided as this project progresses.

Hard blow dealt to regional sewer concept

By Jim McIntyre
Morinville's wish to tie in with St. Albert's sewage outfall line seems to have been dealt a hard blow following a meeting between the two municipalities October 15.

Mayor Art Stapleton told the sad story to the MD of Sturgeon at its regular meeting October 17 and said he thought the result of the mid-week meeting knocked out any idea of a total regional concept in sewage disposal development.

Reeve of the MD Bill Flynn told Mayor Stapleton that Morinville should still persist in getting the tie-in with St. Albert.

Morinville would purchase 10 per cent of the proposed tie-in line considering that Morinville's population

is 10 per cent of St. Albert's.

This would be on a cost sharing basis, self-liquidating 30 years down the line. St. Albert's alternatives for Morinville were that the community enter an agreement on a cost sharing basis (with limits) for the tie-in, or accept that St. Albert should remain the sole user of the facility and finally that Morinville use the outfall line as a public utility owned by St. Albert. This last alternative Morinville could not go along with.

In the final analysis, the MD felt that a joint brief from itself and Morinville should be made to the provincial government asking that the government "front end" the project and that Morinville pay back the

debt over 30 years.

Apart from the disappointment at the mid-week meeting, Mayor Stapleton said that he feared it when everyone was at the mercy of one municipality (St. Albert).

And he saw more problems down the line in almost every sphere of involvement with St. Albert.

He could see tremendous congestion on highway 2 if development went ahead on the recreation complex and large shopping facility planned for St. Albert. He could not see quick developments of new schools in Morinville unless a subdivision was registered and all this hinges on having an adequate sewage facility for the hoped for expansion of Morinville.

He suggested that as far as

transportation was concerned, the ring road and St. Albert by-pass might well be obsolete even before they were developed.

But on the matter of the sewer line tie-in Councillor Walter Van de Walle said that the MD must force a showdown with St. Albert and "see if the government will give any leadership."

What really stultified Mayor Stapleton were a number of clauses in a legal document presented at the October 15 meeting between Morinville and St. Albert.

"Better hang on to your seats," warned Mayor Stapleton as he read out Section 17 of the document. The guts of that section was that without the agreement of St. Albert no one could make a connection into the sewer line - outside of the town of

Morinville.

That clause, said the mayor was not in the original document October 15 but was penned in by St. Albert afterwards. Mayor Stapleton exclaimed "Can I say this to the Reeve of the MD that this is out of our hands?" (Referring to the right to tie in) and adding later that St. Albert council was a very difficult group of people to deal with.

The clause allows Morinville to tie in but effectively blocks the interception of the line by residents of the MD of Sturgeon.

Another clause in the legal document which Mayor Stapleton could not agree with was that if St. Albert extended its boundaries in the future, St. Albert should have the right to purchase the line in the annexation with a 12 per cent inflationary factor in the capital cost.

Mayor Stapleton also feared that St. Albert could, within the 30 years of the agreement give Morinville two years notice (if Morinville went along with a St. Albert alternative) to pull out of the line.

"What do we do then, pull the line up?" asked Mayor Stapleton.

NOT ALL DISAGREEMENT

Mayor Stapleton pointed out that there were areas where he could agree with St. Albert's thinking on the project. He could see reason for St. Albert wanting to limit

the amount of surface drainage going into the line and also its wanting to limit certain types of industry in Morinville like packing plants.

Mayor Stapleton objected to peaking factors in the line less than seven cubic feet per second and was prepared to have surge tanks built into the line. But he was somewhat amazed at St. Albert's fear that peak times in Morinville would coincide with those in St. Albert. It would take four hours for a gallon of sewage to hit St. Albert down the 12 mile line, the mayor pointed out.

"Now in the thunderation can they consider that our peaking time will hit (them) at the same time as their peak?" Mayor Stapleton asked. "Perhaps they have different habits (in St. Albert)," observed Coun. Van de Walle.

Mayor Stapleton emphasized that rates to Morinville residents might be exceptionally high if St. Albert's third alternative were accepted.

The rate could be from \$8-\$10 a month.

Mayor Stapleton quoted figures showing that it would cost Morinville an average of \$1.45 for each 1000 gallons delivered into the line - or \$1.79 initially to 98 cents at the turn of the century.

If this applied at present it would mean that Morinville would be operating at a severe deficit with no way of recuperating.

Spotlight on Sturgeon Bad scene on regional sewer cooperation

Such a hassle is developing between Morinville and St. Albert over the terms on which Morinville will be allowed to tie into the St. Albert sewage outfall line, Morinville might as well look for ways of going it alone.

This would spell the end of any regional co-operation if Morinville were forced into isolation regarding its growth and that growth does depend on having a sewage line to take up the increased human wastes caused by development.

St. Albert of course is within its rights to see that increased flow from Morinville does not overburden the St. Albert end of the facility and Mayor Art Stapleton of Morinville has no quarrel with the town on that score. He is more concerned that in general St. Albert seems to be a difficult municipal body to deal with. This is based on the evidence of St. Albert's refusal to commit itself just yet on Morinville's offer to purchase 10 per cent of the St. Albert line considering that the smaller municipality has about one tenth of St. Albert's population.

St. Albert seems to favour operating the sewage outfall as a public utility with definite restrictions as to who shall join in outside of Morinville. (For example, MD of Sturgeon residents). Also St. Albert wants ownership of the proposed 12 mile sewage link with Morinville related to its own annexation plans for the future north of present St. Albert boundaries. This Morinville will not go along with and neither will the MD of Sturgeon.

One way out of the impasse would be to send more of Morinville's (treated) sewage into the Manawan Drainage Canal. Perhaps the best way out for both Edmonton, St. Albert and towns and villages in the MD might be to consider recycling human wastes which are rich in phosphates and nitrogen - the elements of fertilizer.

This of course would be an expensive proposition. But it would be worth following the European model of recycling sewage to cope with growing population.

To put even treated sewage into rivers is both messy and an appalling waste of fertilizer potential. Not only that, the days when you could only get seven cents a pound for phosphates are over and the present rate is more like 50 cents a pound. With some return certain if the recycling method is used, it might be well worth it if the authorities considered a new method of sewage disposal, knowing that they'll get something back on the initial financial outlay. But with the current bickering in municipal governments, it hardly seems as if enough people will reach the consensus needed for positive action.

MD unhappy over penitentiary debacle

The MD of Sturgeon is going to give the public a chance to air its views on a proposed maximum federal penitentiary slated for the Horse Hill area of the MD.

It also expressed dissatisfaction at Federal Government processes at its regular meeting October 17 which caused upset among MD officials who thought they had been well informed about what kind of facility the Federal Government had earmarked for the MD site.

"We dug up all the material," said Reeve of the MD Bill Flynn, "and then more shows up and this is embarrassing and upsets me."

A public meeting is to be held at Horse Hill October 22, 7:30 p.m., following a 200 signature petition among Horse Hill residents who want to know where they

stand whether or not the development goes through.

After a few MD officials got (understandably) hot under the collar because of confusion in the correspondence between themselves and the Penitentiaries Branch of the Federal Government in Saskatoon, eventually a clear account of the correspondence emerged.

September 4, 1974 a letter to Saskatoon from the MD served as a development permit for a penitentiary but the type was never specified. Then on June 4 a year later the MD was informed that the Federal Government had decided to go for a maximum security facility. This prompted the MD to fire off a letter June 12 asking for more details on the site plans and the timing of construction.

So far it seems there are no

plans from the Federal authorities on the prison except that correspondence from Canada Penitentiary Regional Director W. C. Westlake suggests that tenders are already being called on the project.

Last fall the penitentiary issue surfaced when the MD posted three signs at the site of the facility to meet an August 15-31 deadline and publicize the Federal Government's intent to build.

Councillor Hubert Lamoureux exclaimed that people in the area had not seen the signs that they were behind a clump of trees; also that one had been seen when it was too late to lodge a protest.

The MD must publicize such developments by law using the methods of posting, advertising, or sending

letters.

Mr. Lamoureux said that he did not recall anything being brought up on the penitentiary while he had been on council. (He was elected to office last fall).

Councillor Lawrence Kluge suggested that in future registered letters be sent out to property owners when advertising site development.

Whether it's too late or otherwise the MD has decided to give the public a chance to air their views and the Solicitor General's Department has informed the MD that it is willing to attend the October 22 meeting.

Concern was also expressed over the safety of residents following the escape of five inmates from the Fort Saskatchewan gaol recently.

Fort Augustus Park opens

A new 66-acre subdivision called Fort Augustus Park, six miles east of Fort Saskatchewan and 13 miles northeast of Edmonton, was officially opened last Thursday.

Twenty-two lots divided into 1½ and two acre parcels are on the market for about \$15,000 to \$20,000 each.

"With all the development going on in the MD of Sturgeon," said Mrs. Madeleine Lamoureux, of Weber Bros. Realty Ltd., "it's an opportune time to locate acreage in the country."

Powerlines, Edmonton

water connections, roads in the process of construction and by next spring natural gas are services the subdivision offers.

A creek which only runs during spring run-off splits Fort Augustus Park. Part of the land contours around the creek and the acreages are going to be landscaped with trees.

Mail addressed RR 3 Fort Saskatchewan will be delivered to the subdivision from the town. Park roads will be serviced by the Sturgeon School Division after its first year.

"In Alberta it's a natural phenomenon for roads to be serviced anywhere a school bus goes," said Mrs. Lamoureux. Lower River Road gives access to the subdivision.

Mrs. Lamoureux and her husband Bob started to develop the subdivision's 66 acres before she was in real estate. Mr. Lamoureux is a grain farmer with about 480 acres.

He is a descendant of two Lamoureux brothers who settled on Fort Saskatchewan River lots before the town

was established.

The subdivision is named after a fort built in 1795 by the North-West Fur Company. Fort Augustus was burned down by Indians in the early 1800's.

At the opening of Fort Augustus Park was Rev. Peter Ream, author of "The Fort on the Saskatchewan."

Also present were Gary Brownlee, MD of Sturgeon development officer; Fort Saskatchewan Mayor Henry Powell and Jim Clark, manager of the Northeast Water Board.

October is soil sampling month

The Alberta Soil and Feed Testing Laboratory's revised computer program provides more information than was available in the past to help farmers choose economical fertilizer rates.

In addition to telling you how much nitrogen, phosphorus and other nutrients to apply, the computer analysis

will show you how much of a yield increase you can expect to get from the application of various levels of nitrogen. With this information you will be able to determine whether it is economical to apply nitrogen above a certain level.

Other important analyses carried out at the laboratory

on each sample identify such things as the presence of soluble salts, free lime, acid or alkaline conditions, Soil texture and organic matter levels.

You can get all this scientific information for a cost of only \$2 a sample. Your district agriculturist has

soil sampling kits and information sheets which will tell you how to sample your fields correctly.

Send your soil samples to the Alberta Soil and Feed Testing Laboratory, O.S. Longman Building, 6909-116 Street, Edmonton, Alberta.

outlets and restaurants to order the cuts they need without automatically having all the other cuts as well.

Boxed beef

Some Canadian packing plants are changing the way they handle beef. Instead of shipping beef

carcasses, they are cutting the meat into four main cuts - hip, loin, rib and chuck - and shipping these cuts in vacuum-packed boxes.

An Agriculture Canadian official says the boxed beef system is more efficient than the shipment of carcasses because it allows retail

Report From Bon Accord

By Sadie Allen

Come out and enjoy a game of badminton on Tuesdays from 7:30 - 9:30 p.m., at the school. Three courts go at the same time. If you do not have your own racket there are a few club owned ones on hand. Registration is \$3 and a community membership is required. Birds are supplied. Make Tuesdays your "get fit" days - 18 and over welcome. Contact -- Anita Hetman, 921-3768.

Birthday greetings to Mrs. Florence Mulligan, celebrating her 72nd on October 15.

TOPS meet on Tuesdays at the school at 7:30 p.m. New members are welcomed.

Christmas crafts are scheduled for November 5 at the Bon Accord Community Centre. For registration, contact Pauline at 921-3625, June at 921-3589 or Doris at 921-3686.

Sympathy of the district is extended to the families of

Mrs. Elora (Reed) Rigney and Mrs. Mildred (nee Davis) Coverley.

Anglican Church Women met at the home of Shirley Bland on October 8. ACW are currently raffling a hand-made afghan, the product of Mrs. Thalia Fischbach's nimble fingers. Tickets are available from any ACW member - contact Ruth Cline, 921-3642.

The bingo jackpot is now \$350 in 54 numbers. Winner of the consolation was E. Prodanuk from Redwater. The bonanza was won by Eva Garlick of Edmonton.

The Bon Accord Teen Club will hold a teen dance on Saturday, November 1 from 8 - 12. Music is by the Power Glide. The Teen Club is under the sponsorship of the Bon Accord Lions.

The Lions are kicking off a fund raising project to provide a senior citizen recreation building for Bon Accord

and district residents with a dance on Friday, November 21 -- music by Ray and Nite Lite. Advance tickets only may be had from any Lion member with only 100 available.

4H NEWS

The 4H Food Club held their first meeting of the new season at the home of club leader, Mrs. Edith Kowalski. Election of officers was held with the following elected - Pres. Kim Reynolds; V.P. - Betty Kushak; Sec. - Carmen Carleton; Treas. - Tami Kowalski; Club Librarian - Susan Carleton; Dist. Representative - Val Millwood; Club Reporter - Shannon Tighe. A fund-raising candy sale will be held in November - dates and details later. Projects for the evening were milkshakes for Unit 1, chocolate cakes for Unit 2, pizza burgers for Unit 3 and spice cakes for Unit 4. The club has 28 members this

year and meet regularly on the first and third Tuesdays of the month from 7 - 9:30 p.m. at the home of Mrs. Kowalski. Assistant leaders are Mrs. Ethel Samis and Mrs. Pat Reynolds. This report was submitted by Club Reporter Shannon Tighe.

The 4H Beef Club held their reorganizational meeting at the school on October 6. Officers are - Club leader Mr. Tamas Ferbey; Pres. Mark Ozipko; V.P. David Kreway; Sec. Karen Belzick; Treas. Murray Pawluk; Club Librarian Rick Kreway; Recreation Committee Chairman Mark Ozipko; Food Com. Chairman Betty Kushak; Project Com. Chairman Craig Ozipko. Meetings are held on the first Monday of the month at the school at 7:30 p.m. This report was submitted by Marsha Rigney.

FALL SUPPER

The United Church Women will hold their fall supper on Tuesday, Nov. 11. Adults pay \$2.50, children 6 - 12 \$1., and under six free. The UCW afternoon group, meet at the church on the first Wednesday of the month at 1:30 p.m.

Welcome home to Heather Mulligan who is spending her leave from armed services with her parents Harry and Sarah. Heather is stationed in Toronto.

The Bon Accord Agricultural Society extends its thanks to all those who contributed to the success of

Market Days, both sellers of produce and buyers. Without you both there would be no market days.

Bon Accord Golden Gems will be entertaining members of the seniors from Legal, Morinville and Gibbons at their meeting on October 28 in the afternoon. Anyone in the Bon Accord area who has not yet joined our club is cordially invited to attend.

Twenty-six Tiny Tots with 14 adults enjoyed a trip to see Mr. Dress-up in Edmonton. Mrs. Hilda Milligan and Mrs. Diane Hartley are teachers for the group this year. The parent committee are looking for burnt out light bulbs. If you have any please turn them over to Sandra McDougall, Diane Hartley, or they may be left at the community centre on Tuesday or Thursday mornings when classes are held.

ART CLUB GROWS

The Bon Accord Art Club is pleased to announce a substantial increase in enrolment over last year and now boasts a membership of 14. The following new members were welcomed to the club this fall: Carol Karasuk and Ann Savage of Gibbons, Janice McRobbie, Donna

Popjes, Ingrid Swanton and Barbara Weber of Bon Accord.

Members continuing from last year are: Martha Belish and Henia Martyniuk of Warspite, Lillian Carleton, Jean Chubb, Roseann Lewis and Lois O'Brien of Bon Accord, Frances Clarke, now of Edmonton, formerly of Warspite, and Marjorie Tidbury of Coronado.

All are enjoying the Department of Extension drawing course, instructed by Gisella Felsberg and meet every Wednesday in the Art/Music Room at the Bon Accord School.

The 20 lesson course will conclude with a show of work in the Spring of 1976.

MD may cut road construction costs

The MD of Sturgeon may discontinue new oiling on MD roads as well as additional maintenance and repair because it feels it is running awfully close to the limit of this year's public works budget.

About \$180,000 remains in the budget and it was pointed out that the MD is already \$2,000 overspent on its oiling budget.

On some areas in the road maintenance program the MD is already overspent and is grateful for a recent road grant of \$50,000 from the provincial government.

An MD official recommended that this be used on roads where the budget is already overspent.

Apparently it will cost the MD \$110,000 to see through a gravel and road construction program to the finish.

However after November 10 this work could be curtailed by the colder weather and the MD may go for a total shut-down at its November meeting.

8-hp Massey-Ferguson snow blower eliminates the back-breaking chore of shovelling wet, heavy snow.

- Self-propelled, clears 26" path through waist deep drifts.
- Easily chops hard-packed snow into smaller pieces.
- Throws it 90° right or left, up to 30 feet away.
- Four speeds forward, neutral and reverse.
- Easy starting, fully winterized engine.
- Tire chains included.

Put away that snow shovel and get an MF 228 snow blower today at:

Brownies has started again for another year and they have approximately five openings. Any girl seven years old or over may join. Their meetings are held every Wednesday from 3:30 p.m. till 5 p.m., at the Recreation Centre. If you are interested in becoming a brownie call Marilyn St. Jean at 961-3697 or go directly to the meeting.

News items to be in by Sunday evening. Please call 961-3996.

Remember to tune in CFCW on October 27. They will be saluting Legal and area on that day.

SHOWER HONOURS MARGO MONTPETIT

This past Sunday evening a lovely shower was put on for Margo Montpetit, by her beautiful and able attendants, Pat Montpetit, sister of the bride-elect, Lorraine De Champlain, Rita LaBerge, sister of the future groom and Louise Montpetit, young

sister of the bride. Wine with trays of cheese and crackers was served the guests.

Walking into the hall on the arms of her mother Mrs. Lucien Montpetit and her future mother-in-law Mrs. Frank LaBerge, Margo looked very radiant and happy.

About 100 ladies and young ladies joined in the fun watching head table guests Margo, Mrs. Montpetit, Mrs. LaBerge, and the two grandmothers Mrs. Leon Prefontaine and Mrs. George

Montpetit as they tried to drink from baby bottles to see who could finish first. Mrs. LaBerge won the contest as well as winning the door prize.

As the many gifts were opened a long chain was made by Rita LaBerge with the ribbons from the parcels. Margo's engagement ring was tied to one end, and as the ribbon was pulled around the room, Lorraine Van de Walle came up a winner by holding the other end.

The head table was decorated

beautifully with white and green streamers coming down to Margo's chair. "Share a Moment with Margo" was the slogan printed on the wall. In front of the table was a lovely large doll dressed in a bridal gown and veil. Lorraine De Champlain used the ribbons from the gifts and made a large floppy hat which Margo put on to show off a grocery cart loaded with food gifts to start her new home.

Margo thanked everyone for coming and for her many

beautiful and useful gifts, and for extending wishes for her happiness in the future. Coffee and small cakes concluded the happy evening.

This young lady's accomplishments have been many and varied including being our Snowy Owl in Brownies to the Fete au Village Queen.

Margo's marriage to Mr. LaBerge is an event of November 15th. God grant you happiness and joy Margo in your new life to follow.

VIMY NEWS

By Darlene Provencal
Roland and Lea Limoges left early Saturday morning for a trip through B.C. country with their friends, George and Edna Kieser of Clyde. They plan to be away for approximately two weeks so here's hoping your holiday is as good as you anticipated.

Bill and Angie Locher and family motored to Athabasca to spend a day with Bill's family on the Thanksgiving weekend.

Visiting with the Ed Sabourin family were Mike and Evelyn Hein and family from Grande Prairie.

Mrs. Anne Anderson and her three children were down from Lac La Biche to spend the weekend in their Vimy home. Dave and Ellen (sister) Anderson and their young son from Edmonton spent this time visiting with Anne and family.

Roland and Merle Fagnan and their daughter from Fort McMurray were visiting with the Philip Fagnan family on the Thanksgiving weekend. However, their holiday had to be extended for a few days due to an illness that hospitalized their daughter Suzanne. She's feeling much better now though and has been released.

Mr. and Mrs. Rick Landry had the pleasure of driving their daughter and son-in-

law, Louise and Gary Bolle, to the airport on Thanksgiving Monday. Gary and Louise were the lucky winners of a five-day, all-expense paid trip for two to Las Vegas in a draw made at a Policeman's Ball in Edmonton recently. I'm certain you'll have a wonderful trip.

Barb Henderson was hospitalized for a day due to injuries received after she

and Jim were in an auto accident. Also hospitalized last week for a few days was Robin Baert, son of Darcy and Val Marie. And, our own little guy, Denny, has also been in the hospital all week. Seems like a nasty old virus is really attacking a lot of the children around here.

A big welcome is extended to Mr. and Mrs. Maurice Pelletier and their three

children from Legal who have moved into the Andy Bilon place. Andy and his family have moved to Barrhead.

Once again this year in lieu of going from door to door, all the little ghosts and goblins are asked to do their speaking at the Vimy Community Hall on October 31 at 7 p.m. sharp. The halloween party will be organized by the Vimy CWL and will include goodies, games, and

prizes. Anyone wishing to donate treats may do so by leaving them at Phil's General Store. The party was a real success last year so let's do our best to make it so again this year.

This is your last reminder to get tickets for the annual fall cabaret to be held on October 24, at the Vimy Community Hall. Music by the Vibrations. Buffet lunch. Tickets at \$3 per person. See you there!

GIBBONS NEWS

By Karen Hogg

The resignation of Mr. E. Crockett, manager of the Gibbons Arena was accepted by the Board of Directors of the Sturgeon River Agricultural Society to take effect October 9, 1975. The board has appointed Mr. Mike Bochansky as acting manager until a replacement can be found. Mr. Bochansky's job over the next few weeks is going to be extremely difficult as documents relating to the confirmation of ice rental and scheduling are no longer available to the Society. Your co-operation and understanding is requested in scheduling the arena over these next few weeks. If your organization has paid for ice time you will be contacted immediately but if you have requested ice time and have not made a payment of some kind, then it is likely that the Society has no record of this request. In order that these bookings may be confirmed and the Society's obligations are met it will be necessary for your group to let Mr. Bochansky know of any arrangements which you have made with the previous manager. The arena telephone number is 799-9681.

Applications are now being received for the position of the Gibbons Arena and interested persons are invited to contact any of the following telephone numbers for information and interviews: 998-3143, 998-5051 and 799-9146.

On October 9 two additions were made to the Board of Directors: Mrs. Maisie Met-runc and Mrs. Hannelore Van Noord. This now makes 10 members on the Board of Directors of the Gibbons Agricultural Society.

Bookings in the arena are not in effect until further notice.

Public skating will be advised in the next edition of the Gazette.

NEWSPAPER BIN

A few changes are in store for our paper bin. After spending four hours one cold afternoon cleaning it out the parents decided that there are some rules, if followed, would make it more joyful for those sorting and loading the truck. In the future, anyone bringing papers to the paper bin, please bundle and tie

them strong in bunches of not more than an average of 10 journals. The only things acceptable are, journals, newspapers and magazines. More help from parents of brownies and guides would greatly be appreciated.

Running from October 19 into November the Boy Scouts will be at your disposal for any odd jobs you need done around your home. In return for their efforts a small donation made to them would be greatly appreciated. Anyone interested is asked to phone Mr. Cuthbert at 799-9335 after 5 p.m. and he will make the necessary arrangements.

In memory of the War Veterans the Legion Ladies are planting tulip bulbs in the Anglican Church Cemetery. They are also going to look into getting a new plaque for the cenotaph which is located in front of the Legion Hut. This plaque will be in memory of the men who served in the first, second and Korean wars.

The doctors of the Red-water Clinic are pleased to announce the opening of a

medical clinic in the Village of Gibbons effective October 6 in the old Post Office building. Clinic hours are 11:30 a.m. to 3 p.m. Mondays, Wednesdays and Fridays. For emergencies or other inquiries phone 735-3931. The doctors' names are Dr. Sharma and Dr. Coven-den and the Gibbons number is 799-9200.

The Local Association of Brownies and Guides are holding a harvest tea on Saturday, October 25 from 2 to 5 p.m. in the community hall. Apple pie and pumpkin pie topped with fresh whipped cream, with coffee, tea or juice. Just 50¢ for adults, 25¢ for children 6 - 12 years and pre-schoolers are free. Come out and bring your friends, take home some home baking and also have a chance for the door prize. Watch for posters. See you all there!!!

Congratulations to Walter and Vera MacPhee on the birth of a little baby girl Audrey Dawn weighs 7 lbs. 6 ozs. and was born on Tuesday, October 7.

Mr. and Mrs. Tom Coley left for Phoenix, their winter home on October 13. Have a good time and see you in the spring!

Congratulations extended to James and Sandra Shaw on the birth of a baby boy, Wednesday, October 8.

Congratulations to Mr. and Mrs. Bill Williams on celebrating their 36th wedding anniversary, Sunday, October 12.

We have a new business in Gibbons registered as "Barkers Rottifiling Services." Garry Barker has set up a service for the people of Gibbons. His new tractor can retrofit, do blade work, snow clear, clean out driveways, plus numerous other jobs. Anyone interested in Garry's services are asked to call him at 799-9539 after 6 p.m. or at anytime on weekends. Now is the time to call and get your yard ready for winter.

Vandalism has been reported at the Anglican Church of Gibbons. Children are welcome to play in the church yard, but please for your own protection stay away from the church and cemetery. Facilities offered at the Gibbons playground are there for your pleasure.

SUNDAY SCHOOL

On Sunday, November 2 the closing service will be held in the Sunday School at 10 a.m. At this time presentations will be made for perfect attendance, flowers and stamps. Parents and friends of the children are cordially invited to join us.

Following this service the Sunday School will dismiss until spring. Weather permitting there will be a Christmas carol service at 10 a.m., the Sunday before Christmas. This service is also open to relatives and friends. There will be a reminder published in the Gazette at a later date.

A speedy recovery to Mr. John Elzinga who just came from the Fort Saskatchewan Hospital.

Slim Down - Shape Up!! Say goodbye to all fat and crash diets. Say hello to a sensible and successful way of losing weight. This program is a totally new approach to weight reduction. Registration is \$5 per person. Anyone interested or would like to pre-register are asked to call me at 799-9384. Registration must be done by Monday, November 3 as the class begins on Wednesday, November 5. So hurry and register.

The Gibbons Indians were defeated 9-2 against Bon Accord on Wednesday, October 15.

A reminder to everyone about the hallo'we'en beer fest on November 1 at 8:30 p.m. in the Hall. The band is the Sundowners and tickets may be obtained from the Hall Board members.

A reminder that anyone with news are asked to call

me at 799-9384 or Post Office Box 21.

THE LAST ROUND-UP

A regular meeting was held in the Legion Hut on October 9. There were 37 members present, including three new ones - Nillian and Alice Schneider and Martha Samis. There were three visitors from the Bon Accord Club - Nell Schneider, Sadie Allen and Anne Brennan.

There was a good deal of visiting and shuffleboard. Bingo was played for grocery prizes. With Sheila at the piano a short sing-song was held while the ladies put out the lunch. Thanks to Eula Mabbutt for a delicious chili and cabbage salad. No less than six members contributed cakes. Aurore Lamoureux, Agnes Logan, Vera Harty, Alberta Spence, Connie Roberts and Eula Mabbutt.

Next meeting will be held on October 23, when election of executive officers will take place. Everyone seemed to enjoy themselves and Bon Accord members were invited to come again.

Our new post office had its official grand opening on Wednesday, October 15. Mr. Jamison, M.L.A. and Mr. Dan Hollands, M.P. were the officials who raised the flag and started off the ceremony. Mayor Snip Loblick cut the ribbon to officially open our Post Office. Mrs. Hazel McLean has been the Gibbons postmistress for 22 years. Mrs. McLean's assistants are Mrs. Katie Mabbutt and Mrs. Elsie Hunt. Everyone who went to the post office received a beautiful carnation and were asked to take a tour of the building. Coffee and slices were also served.

Calahoo Sports Association holds fastball banquet

The sports-minded community of Calahoo turned out in full force Saturday night to honour the many teams under the sponsorship of the Calahoo Sports Association.

Master of ceremonies Larry Mitchell started off the awards night introducing Greasegun Berube, coach of Erin Insulators Ltd., girls team (16 and under). The team had a fantastic season losing only one game in the regular schedule as they captured the Parkland Regional Recreation trophy for the east division title.

They then played the eastern champion Entwistle team and took two of three games for the overall title and another trophy.

The sponsors of the team Bun and Barney O'Neill, received a big round of applause for all the work they did for the team.

The Calahoo Oldtimers were next on the agenda and after players were introduced by Larry, coach Blackie

Quintal thanked all who participated and felt that with some more games and practice they would be ready to take on the seniors.

Calahoo Chiefs, the senior team, were next introduced by Larry who had a little something to say about each one on his season's performance.

The team finished in fourth place in the Sturgeon Men's 10-team fastball league, and were bounced from the playoffs by Spruce Grove Panthers, two games to one. The team took in many games along the tournament trail and won close to \$1,000 in prize money.

STEVENSON M.V.P.

All star pitcher Art Stevenson was a unanimous winner of the Phil Turner Memorial Trophy as the team's most valuable players. This award is voted on by the players and means a lot to the winner. Coach

Emile Berube presented the award.

Another pitcher, Ed Kachowski, was presented with a unique award in the shape of a battery operated Ukrainian chain saw, which drew a lot of laughs.

The ladies senior team were introduced by Sneaky Berube while the pee-wee girls were represented by Frank Banham and the mite girls by Jeannette Patrick.

Emile Berube then presented Sports Association plaques to Brenda Coyes and Marlene Berube for outstanding community service work over the past few years. Both were deeply moved and thanked everyone involved.

Chief's scorekeeper Lorraine Berube was also thanked for her many hours of work with the senior team.

Once again the Calahoo Sports Association ladies put on a marvelous supper while Nat and Louis D'Hoedt provided the dancing entertainment.

Gibbons Open House

The children of Mr. and Mrs. Douglas Hood are pleased to announce the 50th wedding anniversary of their parents.

In honour of this occasion they will be holding an open

house on November 9th from 1 to 4 p.m. in Gibbons Community Hall.

All friends and relatives are cordially invited to attend. No gifts please.

BILLBOARD

FRIDAY, OCT. 31 - Vinny Hallowe'en party for children - 7 p.m., Community Hall.

SATURDAY, NOV. 1 - Harvest Fest sponsored by the Ag. Society and Lions Club of Morinville - at Rec. Centre.

SATURDAY, NOV. 1 - Annual fall supper, bazaar and Christmas cake sale. 5 - 8 p.m. Coronado United Church Hall.

TUESDAY, NOV. 11 - Fall supper at Bon Accord by U.C.W.

FRIDAY, OCT. 24 - Cash Bingo, sponsored by St. Catherine's Parish, to be held in Church Basement - 8 p.m. Everyone welcome. Lunch will be served. \$2.00 entry fee gives you one card. Extra cards available at 50¢ each.

New Post Office opened in Gibbons

Light rain fell during the official opening of Gibbons Post Office last Wednesday, but did not dampen the spirit of pride present at the ceremony.

The new post office is the latest example that the village is a rapidly growing community. About a month ago Gibbons celebrated the official opening of its first bank.

Back in 1936, Gibbons was a hamlet of 156 people. Today the post office serves 1,060 residents and ruralites living around the village.

Mayor Snip Loblick cut the ribbon officially opening the doors of the modern, one-storey post office at 51st Avenue and 49th Street. The post office used to be in the house, just around the corner of Postmistress Hazel McLean.

Mrs. Elsie Hunt and Mrs. Katie Mabbutt assist Mrs. McLean. The post office has about 450 lock boxes, 50 general delivery customers and provides mail order service.

Roy Barnard, Westlock Zone postmaster, gave credit to former Pembina MP Dan Hollands and Mrs. McLean for their efforts to see the post office built.

"MP at the time of its inception, Mr. Hollands and Mrs. McLean corresponded quite frequently to make sure the post office got off the ground," he said.

Mr. Hollands described Mrs. McLean as a tremen-

dous asset to the community. "She was very persistent in telling me with very commanding vocabulary all the things wrong in the old post office."

The federal department of public works had the post office built for \$104,000 through its public building updating program.

"The post office is the first building built in the village which is not for Gibbons alone," said Mayor Loblick. "It is also for Coronado people and people living between the two communities."

"There is nothing people take more pride in than in their local community."

MLA Ernie Jamison of St. Albert spoke approvingly of Gibbons post office, saying it showed the village's anticipated future growth.

Councillor Walter Jeram of MD Sturgeon predicted many new Gibbons buildings in the future, noting it was a community with a large growth rate.

POST OFFICE HISTORY

The first post office in the district was at Battenburg and run by Joseph McLean. In 1903, Gibbons Station had a post office in Jim Hayes store with Henry Astley as its postmaster.

Mr. McLean and his brother moved their store to Gibbons Station and a lean-to was joined to the store for the post office. He was post-

master until he suffered a stroke in the 1950's.

The store is known today as the Pop Shoppe and is owned by Nick Konorodo.

Mrs. Henshall, formerly a Fedorah postmistress, ran the post office for several months. Following her, Mrs. McLean has been Gibbons' postmistress, except for the time Alex Stuart and his wife Gladys, of the hardware and lumber yard across the street, provided mail service.

Mrs. McLean and her husband Harvey used to drive seven miles from their farm to pickup mail dispatched to the village by train, and send outgoing mail.

Until the late 1950's a truck distributed mail. The McLeans' moved to the village in 1961 and built a home, attaching the post office to it.

As Gibbons developed, the post office started to run out of space. Mrs. McLean and former Pembina MP Hollands solved the space problem by convincing the federal Post Office Department that Gibbons needed a new post office.

Gibbons Postmistress Hazel McLean is chatting in front of the village's new post office. Mayor Snip Loblick cut the ribbon officially opening its doors last Wednesday. The post office serves 1,060 Gibbons residents and ruralites living around the village.

FUTURE

Westlock Zone Postmaster Barnard said a community of 6,000 people with an average of 3 1/2 people at 2,000 points of call has mail delivered by letter carriers.

"Within the Zone there are 33 post offices," he said. "There are offices that lease space by the square foot to the federal government, but no empty building was available in Gibbons. Solution: a

new post office building which adds distinction to the village. "The post office will become a meeting place for Gibbons people like in other communities," said Mr. Barnard.

Potato underrated

The potato has been underrated as a food source. Agriculture Canada economist Tom Bennett points out that potato crops yield more protein and calories per

acre than either wheat or rice. He suggests more research should be done on growing potatoes in developing countries to help ease food shortages.

Alternative forage

Prairie livestock producers should consider replacing some of their alfalfa stands in hay and pasture crops with sainfoin.

Researchers at Agriculture Canada's Lethbridge Research Station in Alberta say that although sainfoin is

lower in protein content than alfalfa, it is more digestible, doesn't cause cattle bloat and may be harvested later than alfalfa. They say that sainfoin's advantages outweigh its lower protein content.

Horse Hill news

By Peggy Wenzel
Patricia UCW's annual turkey supper will be celebrated November 1 at Horse Hill School Auditorium. Sitings are at 5 p.m., 6:15 p.m. and 7:30 p.m.

Adults will be admitted for \$3, children under the age of 12 for \$1.50 and pre-schoolers for 75 cents. Phone Mrs. Muriel Mull-ock, 799-6579 for further information.

PROPOSED RECLASSIFICATION

It is the intention of the Municipal District of Sturgeon No. 90 to reclassify the following lands from abandoned coal mining area and agricultural to recreational for the purpose of developing a recreational park site. W 1/2 Sec. 24-55-25-W4th.

Persons affected by or objecting to the said proposal may submit in writing to the undersigned the reason for their objections, or views on same, on or prior to October 30, 1975. Should objections be received a public hearing will be held at 7:30 p.m. on October 30, 1975.

M.D. of Sturgeon Briefs

Following are some of the highlights of the regular meeting of the MD of Sturgeon, October 16 and 17.

THE MD ACCEPTED ST. ALBERT'S offer to come down and discuss several items of mutual interest in mid-November. The MD wants to have the meeting November 13 and it is expected that regional sewer and waterline concepts will be mulled over as well as annexation, roads, the sharing of industrial taxes and a regional ambulance facility.

AFTER ALL property owners signed up an agreement with the MD over a road widening at the Villeneuve

airport - the MD is expected to pass a bylaw on the above road widening. This call for widening of 33 feet either side of the road in question.

MORINVILLE IS AWAITING a reply from the provincial government following suggestions for improvements to the Manawan Drainage Canal downstream of the town.

THE MD IS thinking of standardizing its policy in regard to payment for fire phones in all towns and villages in the MD of Sturgeon.

A CENSUS WILL be held throughout the MD of Sturgeon November and December

provided there is provincial government approval.

If the census is go, the MD will appoint seven enumerators, one for each division. They will make a visit to each household in the MD for 1976 census purposes. The census has to be made so that the MD can get out recreation and other grant allotments for next year.

A ONE HUNDRED by 200 foot fire protection reservoir out at Riviere Qui Barre caused the MD a little problem. They were in a quandary over putting a fence round the stretch of water which it is felt may be dangerous to youngsters living in the area. "A fence is

no guarantee kids won't get in there," said Councillor Lawrence Kluthe. The MD was also worried that their insurance might be invalid if no fencing was erected.

So while the discussion continued about who might be liable if the worst happened and a youngster was drowned the problem seemed a hard one to solve. Reeve of the MD Bill Flynn thought that the best way out might be to put signs up. Coun. Kluthe thought there was more danger in being hung up in barbed wire and Secretary Treasurer of the MD Alphonse Nobert pointed out that the MD has a lot of waterholes all over.

The implication seemed to

be that if the MD started fencing off one then it would have to fence off them all.

THE MD IS making a move to utilize a \$50,000 provincial government grant for clearing and improvement at the Cardiff Park site. The feeling was expressed that the ground must first be staked out before November for road construction.

Using MD road construction equipment without hiring outside work, Public Works Superintendent Bob Stack said it would cost 25 working days at \$2,000 a day.

The MD remains as yet undecided on two tenders

offered for the staking and surveying of the site for the recreation development. Sorenson Engineers came up with the lowest of two bids at \$2,000 with W. J. Franel and Associates offering \$3,000. That firm has not offered cut and fill in its tender which the MD feels is important. The tenders from both firms include legal fees.

The MD's consultants on the project G. R. Shelley and Associates have suggested that the MD backslope the water shorelines of the development with the rest of the \$50,000 government grant.

Kenneth Crozier dies suddenly

On October 13, 1975, Mr. Kenneth Gordon Crozier of Namao, Alberta passed away suddenly at the age of 23 years as the result of a hunting accident in Southern Alberta.

Born and raised at Namao, Ken had chosen farming as his career working the family farm, Crozier Dairies, with his father Clayton, Uncle Hugh and cousins Lee and Les.

He attended Namao School

and Victoria Composite and participated in many community activities including the 4H Dairy Club, gymkhanas, baseball, badminton and he was also a member of the Namao Seniors Hockey team. Extremely interested in physical fitness Ken was in training as a boxer preparing for an amateur match this fall. A true sportsman and above all an outdoorsman he loved fishing and hunting and organized many skeet

shoots at the farm.

A world traveler, he had visited Europe, Hawaii, Mexico and enjoyed a six month tour of the United States and Canada riding 10,000 miles on his motorcycle. Ken became interested in photography and one of his greatest pleasures was taking pictures of the recent weddings of his two sisters.

Ken will long be remembered by the many people whose lives he touched in

some special way.

Funeral services were held at Norwood United Church in Edmonton with Reverend Harold Black officiating. Members of the Namao Seniors hockey team and friends formed the 33 honorary pallbearers. Pallbearers were Gary Gauthier, Larry Rowse, Mike Wickstrom, Doug Crozier, Adolf Yeske and Brian Clark. Ken's boxing gloves were placed on his coffin by his

cousins Lee and Les, Danny Dillaf and his trainer Jersey Edwards. Interment was in the Namao Cemetery.

He leaves to mourn his loss, his loving parents, Clayton and Jean of Namao, two sisters, Mrs. Norman (Carol) Robb and Mrs. Alex (Colleen) Thomson, both of Edmonton, his grandparents, Mr. and Mrs. Harry Auden of Edmonton, and his maternal grandmother, Mrs. Lawrence Atkins of St. Albert.

KENNETH G. CROZIER

Gymkhana awards made at Namao

By Norma Crozier

The Namao Gymkhana Club held their awards night in the school gymnasium on October 17, 1975. To end a busy and successful year everyone enjoyed a pot luck supper and an evening of dancing.

The annual meeting of the Rendez-Vous Club will be held on November 3 at 8 p.m. It is hoped that all members will attend. Cards will follow and a lunch will be served. Senior Citizens are also holding a bake sale and tea on November 22, commencing at 1 p.m., at their Clubhouse. Everyone is welcome.

Anyone interested in curling may call Bob Ringrose at 939-4142 (evenings), Ross Quinn at 939-4217 (shop) or 939-4091 (home) or Colleen Brisson at 939-4525 (anytime). Deadline for curling registration has been extended until October 31. The multi-purpose building should be operational by early November.

A Red Cross Blood Donor Clinic will be held in Morinville on October 29 at the Morinville Recreation Centre from 7 to 9 p.m.

SEARCH FOR TALENT

The Morinville Board of Trade is again sponsoring Search For Talent. The Associated Canadian Travellers will be holding a telethon at the end of January and therefore Morinville Board of Trade has set the date of January 10 for the Search For Talent in Morinville. The categories are the

same as last year with: Junior 8 - 12 years; Variety; Showmanship and the Sun-waps for advanced performers. Entry forms or additional information is available now by calling Flo McGinnis at 939-4248 (between 9 - 5 weekdays).

Ag. Society and Lion's Club annual Harvest Fest will be held on November 1st at the Recreation Centre, with music by the Twilights. Tickets are available from Ag. Society and Lion's Club members and local businesses.

Rifle Range is open every Wednesday at 7:30 p.m. at the arena.

Legion is renovating their building and Saturday night activities for November are temporarily cancelled.

Morinville's Senior Hockey Club started their exhibition season off on a good note by beating Villeneuve 6-4, Sunday afternoon, in the hometown arena. They will next see action Sunday, October 26 at 1 p.m., against the visiting Nmao team.

Morinville's "Good Timers" (nee Oldtimers) also started off their season a little better than usual with a high scoring 8-8 tie against Spruce Grove. The team's unusual success was attributed to new coach Roger Blackburn's secret methods. His theories will next be tested Sunday night at 8 p.m. Fans are welcome and admission is free.

Season tickets for the arena are available from Doug Ramer. Call Doug at 939-4565.

Agnes Lalonde recently returned home from the hospital. Many friends went out of their way to help Art at the auction mart and Agnes and Art really appreciate it.

G. P. Vanier graduation will be held on Saturday, September 25 at the Recreation Centre.

Reader's co-operation in telephoning or bringing in news items is much appreciated and as early in the week as possible. Please phone 939-4145 or drop off at 9901 - 99 Avenue.

Saturday morning was a good time to be up for Albert and Julie Saunders of Morinville for that was when they picked up their new 1975 Chev. Pickup which they won on CFCW Lucky-Calendar

number. Congratulations folks!

Namao News

By Norma Crozier

Congratulations to Mr. and Mrs. Alan Crozier on their chosen son, Richard John. A first grandchild for Mr. and Mrs. John C. Crozier of Namao and Mr. and Mrs. Lyle Kocher of Red Deer, Alberta.

Namao UCW extends their thanks to all who helped to make their fall supper

another successful endeavor.

Miss Leslie Fay was the winner of the Happiette Club's raffle of an electric broom.

One hundred friends and relatives attended the silver anniversary open house for Mr. and Mrs. Elmer Samis held in the community hall on October 12. Out of town

guests attending were their son George and his wife Lorraine from Penticton, B.C., Audrey and Bill Elliott from Langley, B.C., Bob and Gail McEay and their two daughters from Calgary as well as many others from different points in Alberta. To complete the day the family enjoyed a Thanksgiving dinner together at the home of Mr. and Mrs. Jack McEay.

Namao pioneer passes

By Norma Crozier

On October 17, 1975 Mrs. Priscilla (Hazel) Paul, formerly of 11415 - 64 Street, Edmonton and Namao passed away in the Lynnwood Auxiliary Hospital at the age of 79 years.

Mrs. Paul was the daughter of Mr. and Mrs. Joe Carson and was born at

Namao on the farm where her daughter-in-law Alma and grandson Larry still farm. She was married to Mr. James Paul in 1915 and they farmed and lived at Namao until 1945. She was predeceased by her husband and one son, Albert.

She leaves to mourn her

loss, one son, Harold of Namao, Alberta; six grandchildren and 10 great-grandchildren.

Funeral services were held on Monday, October 20 at the Norwood United Church with Reverend H. Black officiating. Cremation followed.

Qui Barre Note

Marcella McGillis underwent surgery on Friday to have a leg removed about six inches below the knee. Over the past year she had been in and out of hospital for tests and work on leg ulcers and

poor circulation. Her daughter said Monday that she is doing well and has been in fine spirits throughout. She is in the General Hospital in Edmonton.
